The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

2*s.* 6*d.* a-day, or 45*l.* 12*s.* 6*d.* per annum, after 3 Years' Sea Service as Second Masters, provided they cannot obtain employment in the Navy, and do not decline or avoid Service when it is offered to them.

The period of 3 Years' Service may be dispensed with in the case of Officers who shall have been invalided for sickness or injuries caused by the Service, and which shall render them permanently disqualified for further employment.

In no case will Half Pay be allowed to Second Masters, unless the conduct of the Officer, whilst serving, shall have been in all respects satisfactory.

CIRCULARS, &c.

CIRCULAR, No. 121.

Admiralty, June 14th, 1858.

(REGULATIONS FOR THE ENTRY OF BOYS AND MEN INTO THE NAVY—PAY—LEAVE—GRATUITIES—PENSIONS, &c., AND THE PAY OF WARRANT OFFICERS.]

My Lords Commissioners of the Admiralty have had under their consideration the question of the entry of men for the Royal Navy, together with a report from a committee of naval officers appointed to enquire into the subject.

Their Lordships are of opinion that it is highly important to give the Royal Navy a more permanent organization, both as a means of increasing its efficiency and discipline, and of substantially promoting the welfare and comfort of the petty officers and seamen of the fleet.

My Lords are desirous that the change in the existing system should be accomplished wholly by voluntary means. Seamen are therefore to be permitted, as at present, to enter for the customary period of service, and for particular ships; but by the future entry of boys for longer terms of continuous and general service, and by holding out the inducement of increased pay and other advantages, to men who volunteer to serve under the new system, their Lordships contemplate that a gradual and beneficial change will be introduced in the present mode of manning Her Majesty's Ships.

With this view they are pleased to direct that the following measures be carried into effect.

BOYS.

All boys under the age of 18, who hereafter enter the Navy, are to be required to enter into an engagement, according to the form, No. 95, to serve Her Majesty for a period of ten years continuous and general service from the age of 18, in addition to whatever periods may be necessary till they attain that age. If above the age of 18 when entered, they are to be required to engage for 10 years continuous and general service, from the date of first entry.

No boy is under any circumstance to be entered under the age of 14, or below the following standard of height.

Ages between			Stature. ft.	in.
14	&	15 not less than	4	8
15	&	16	4	10
16	&	17	5	0
17	&	18	5	2
After 18		.....	5	4

Weight, though dispensed with as a qualification, is to be inserted, for information, in the reports of survey.

All officers entrusted with the important duty of entering boys, are strictly enjoined to use the greatest care and circumspection in ascertaining that they are in all respects fit for Her Majesty's Service, before they are entered. Previous to such entry being confirmed, a survey is to be held on them by two Captains, or Commanders, or one of each rank, and two Medical Officers; who are to certify, according to the form No. 95, to the boys being of perfectly sound and healthy constitutions, free from any physical malformation, or other defect, and to their being in all respects fit for the service.

A similar course of proceeding, as far as circumstances admit, is to be followed in the case of boys entered on foreign stations.

Outfit.—The sum of 40*s.* which is now required as an outfit for boys on their first entry, is, for the future, to be dispensed with.

Employment as servants.—All boys of the 2nd class, including boys from the school ships and from the Greenwich schools, may be employed as servants, when required, according to the usage of the service; but all officers in command are to take care that the employment of boys in this capacity does not, on any account interfere with their systematic schooling, instruction in gunnery, exercise aloft, and other branches of a seaman's duty; or in useful trades of which they may possess a knowledge.

Promotion to 1st class.—If a boy should be more than ordinarily active and well conducted, he may, at the discretion of his Captain, be promoted to the first class at the age of 16, provided he shall have been at least one year at sea.

Entry of 1st class Boys.—Although it is desirable that all boys who are entered in the 1st class should have been at sea, or accustomed to boats, such qualification is not to be considered indispensable, in the case of promising lads who are found in all other respects fit for Her Majesty's Service. The existing regulation for the instruction and training of 1st class boys, to qualify them for seamen, is to be strictly enforced.

Promotion.—Boys who produce proof of having been at least two years at sea, may, in special cases of good conduct and ability, be rated 2nd Class Ordinary, or Ordinary Seaman, according to their qualifications, after the age of 18, No person is to be retained in the rating of boy after the age of 20.

Discharge by purchase.—All boys of good character and conduct, whether entered for continuous service or otherwise, may be permitted to purchase their discharge according to the following scale; the amount being graduated according to their length of service, and the consequent expense that has been incurred on their education and training.

Under 3 years service	£8
After 3 and under 5 years	10
After 5 years service	12

Discharge of ineligible boys.—When a ship is inspected, or paid off, the Captain or Commanding officer, is to report the names of such boys as he may consider, from inferior stature, want of physical strength, or other valid cause, to be unfit to be retained in the service, in order that, after a special survey, they may be discharged.

Advantages of continuous service.—All the advantages granted for continuous and general service, as hereafter shown, are to be fully explained to the boys now serving, the option being left to them of accepting such advantages, or otherwise.

Increase of pay.—Boys who have entered for continuous and general service, are, when advanced to any of the under-mentioned ratings, to be allowed the following rates of pay, in addition to the present pay of the Royal Navy.

	Per calendar month of 31 days. *s.*	*d.*	Per annum. £.	*s.*	*d.*
2nd Class ordinary seamen	2	7	1	10	5
Ordinary seamen	5	2	3	0	10
Petty officers leading and able seamen	7	9	4	11	3

They will also be eligible to be granted pensions after shorter terms of service than at present, as hereinafter specified

SEAMEN.

The above additional rates of pay are also to be allowed to all the petty officers, and seamen, as shown in the table of pay under the following conditions:—

1. To all men who volunteer for ten years continuous and general service.

2. To men who may hereafter enter the Navy for the first time for the usual period for which a ship is commissioned, and who afterwards volunteer, at any time before the ship in which they are serving is paid off, for such further periods as may be necessary to complete ten years continuous and general service from the date of their first entry. The increased rates of pay to commence from the date of their so volunteering.

3. To men who have already served in the Navy, or who are now serving, and who volunteer for not less than seven years further continuous and general service.

4. To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years further service, or for such periods as may be necessary to make up 20 years service from the age of 18 ; provided in the latter case, such period of continuous and general service to be completed be not less than five years.

5. To men, who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete, by general service, such periods as may be necessary to make up 21 years from the age of 20.

6. Men who have once completed an engagement under any one of the foregoing conditions, will be entitled to the higher rates of pay by re-entry for the periods of service shown in the table in the appendix. It is to be understood, in every case, that the additional rates of pay are only to be given for continuous and general service ; and that pensions after 20 years total service from the age of 18, will be awarded only to men who have served under any of the foregoing conditions.

All men who engage for continuous and general service are to sign an agreement to that effect, according to the form, No. 93. They are to be distinguished on the ship's books by the letters C. S. (continuous service) being placed in Red Ink, immediately under their ratings, and the date of entry for continuous service is to be entered in the column for that purpose in the Ship's Books.

Servants, musicians, bandsmen, butchers, barbers, tailors, and sick berth attendants, and others, as stated in the table of pay in the appendix, are to be entered as at present, and are not to be considered as forming a part of the permanent Navy. No Pensioners are to be entered for continuous service.

Allotments.—The allotments of seamen who enter for continuous and general service, will remain in force during the period of their engagement, unless cancelled by themselves under existing regulations. All seamen riggers joining Ships are now to be allowed to make allotments on the day of entry.

Exchange of Seamen.—In carrying out the arrangements of the Naval Service under the new system of continuous service, the Commanders-in-Chief at home and abroad will afford facilities for the exchange of seamen to different ships whenever the public service will admit, but in all cases the sanction of Captains in command must be obtained ; and such exchange will be permitted only to men of good character.

Extension of term of service.—The term of service for which a seaman shall hereafter enter may, as at present, be temporarily extended, in the event of any emergency, or necessity, which, in the opinion of the Lords of the Admiralty, or a Commander-in-Chief on a foreign station, may render such temporary extension requisite ; and any man so detained beyond the term of his agreement, is to be entitled to 2d. a-day, in addition to the pay of the rating which he may hold.

Period of service and leave.—It is to be generally understood, that when the public service will admit, the customary period of service abroad will not be exceeded ; and that six weeks leave of absence will usually be granted on the return of ships to England, and further leave during each year, whenever the service will permit. When ships are put out of commission, or paid off, the continuous service men are to be entered as disposable supernumeraries on the books of the Flag Ship at the port : unless, prior to going on leave, they have been entered on the books of a sea going or other ship as part of complement.

In hospital at home.—Petty officers, seamen, and boys, entered for continuous service, who may be sent to hospital or sick quarters at home, will not be checked as formerly for time and pay at the end of 30 days, but will continue to have both ; but after the expiration of the 30 days, petty officers and able seamen will be subject to a deduction of 10d. per day from their pay, ordinary seamen and 2nd class ordinary seamen, 8d. a-day, and boys 4d. per day, to be charged against them on the ship's books ; and men in hospital, when a ship sails for Foreign Service, are to be discharged to the Flag Ship's Books.

Leading-seamen.—As an inducement to seamen to render themselves proficient in all branches of their duty ; my Lords are pleased to direct that a higher class of able-seamen be established, under the denomination of "leading-seamen," and with an additional pay of 2d. a-day each. To consist of men who are thorough helms-men, and leads-men, able to assist in repairing sails, and who are practical riggers, capable of doing duty as such in any part of a ship ; to undergo an examination for the rating, conducted by the Commander, Senior Lieutenant, Master and Boatswain ; to wear a badge of distinction, (according to pattern) ; to be exempted from corporal punishment, except by sentence of a court martial, or for mutiny ; to be reduced for the committal of any grave offence in the same manner as petty officers, having been first deprived of any good conduct badges they may possess. The number of leading-men in each ship to be according to the schemes of complement annexed hereto. The increased pay of 2d. a-day is to be allowed without reference to a man entering for continuous service. Seamen-gunners of both classes, if duly qualified as leading seamen, are to receive the above 2d. a-day, in addition to their pay as seamen-gunners.

Shipwrights.—A new rating of "shipwrights" is to be established. One-third of the carpenter's crew is to be composed of this class. Shipwrights are to be granted 2d. a-day each in addition to the pay of the carpenter's crew, and tool money as at present, irrespective of their term of service. Their qualification is to be ascertained by examination, previous to their being so rated : if at a home port, the examination is to take place at the dockyard by such competent officers as may be selected by the superintendent; if on a foreign station, by three carpenters, when practicable.

Landmen.—The pay and duties of 2nd class ordinary seamen and landmen being identical, the latter rating is to be abolished.

Good-conduct badges.—Time served as 2nd class ordinary seamen is, prospectively, to count as time served as ordinary seamen, for the good conduct badge and pay.

Men absent without leave or imprisoned.—Men and boys who have absented themselves without leave, or who have wilfully overstaid their leave more than 48 hours are to forfeit their pay ; but the allotment is not to be stopped during the period of their absence ; and those who are sent to gaol by the sentence of a civil magistrate for any offence committed within the United Kingdom or British Colonies, are likewise to be mulcted of their pay, during the period of their confinement; the amount of pay forfeited is to be charged against them on the Ship's Books by the Captain ; unless under special circumstances, to be represented by the Captain, the Lords Commissioners of the Admiralty, or the Commander-in-Chief on a foreign station, should think proper otherwise to direct. In all cases of mulct of pay, the circumstances are to be duly noted in the ship's log, and in the quarterly returns of punishments. This regulation is not to interfere with the directions contained in the Queen's Regulations, Art. 5, page 103, relating to men absent without leave when a Ship is about to proceed to sea.

Conveyance of seamen to their homes when paid off.—On ships being put out of commission, every facility is to be given, consistently with the convenience of the service for conveying the men paid off to such of the ports, frequented by Her Majesty's Ships, as may be nearest to their places of residence.

Commander's servant.—Commanders, under Captains in rated ships, are to be allowed a servant ; to be borne and paid as a second class ordinary seaman.

Seamen-gunners.—My Lords are of opinion that the system under which seamen-gunners are now entered requires modification, with a view both to its increased efficiency and extension. They are therefore pleased to direct, that men who may hereafter enter as seamen-gunners, be divided into two classes 1st class men are to be entitled to an additional pay of 2d. a-day, and the 2nd class to an additional pay of 1d. a-day each ; the pay in question to be granted according to their qualifications and irrespective of length of service. The 1st class to be eligible to be promoted to the situation of gunner's mates and gunners ; the 2nd class should be held qualified to perform the duty of captains of guns.

The existing regulations relating to seamen-gunners who have already been entered for five years are to remain in force, except as regards men who volunteer for continuous service, and who may be deemed eligible for either of the above classes.

In entering men hereafter for the "Excellent" preference is to be given to those who volunteer for continuous and general service.

PETTY OFFICERS.

My Lords consider that it would improve the discipline of Her Majesty's ships, and be in other respects advantageous to the service, to establish a class of chief petty officers ; they therefore direct that the following be established accordingly

Chief Petty Officers.—Master-at-arms.
Chief gunner's mate.
Chief boatswain's mate.
Admiral's coxswain.
Chief captain of forecastle.
Chief quarter-master.
Chief carpenter's mate.
Seamen's schoolmaster.
Ship's steward.
Ship's cook.

Chief Petty Officers will be allowed the rates of pay stated at page 215.

Petty officers who enter for continuous service are to carry their denominations as chief, first, or second class petty officers from ship to ship; it being left open to the captains of the ships which they may join to assign the specific rating best suited to the character and abilities of the individuals.

Examination for the rating of petty officers.—Seamen before being promoted to the rating of petty officer, are to be examined by the following officers: the commander or senior lieutenant, master, gunnery lieutenant, and the warrant officer of the class required. In rating petty officers, a preference is to be given to men who have entered for continuous service.

The above officers are to sign the ticket of examination, which should be retained in the captain's office, appended to the description-book; to be produced to any flag or other officer who may muster or inspect the ship.

Petty officers are, as far as possible, to be selected from the leading seamen.

As an encouragement to deserving petty officers, an increase is to be made, as follows, in the number who are eligible to be recommended for good-conduct gratuities, when ships are paid off after three years' service, or in proportion for a less period, as at present regulated.

Rates.	Chief and 1st Class 7l.		2nd Class 5l.	
	Present No.	Future No.	Present No.	Future No.
Rates 1st and 2nd	4	6	3	4
" 3rd	4	5	3	4
" 4th	3	5	2	3
" 5th	3	4	1	2
" 6th	3	4	1	2
Steamers 1st & 2nd Class	2	4	1	2
" 3rd Class	1	3	1	1
Sloops	1	3	1	1
Small Vessels	1	1	1	1

The long service medal-gratuity to 2nd class petty officers is to be increased from 7*l.* to 10*l.*

Petty officers and seamen who enter for continuous service may be permitted to purchase their discharge according to the following scale:—

Under 5 years' service in man's rating	£12
After 5 and under 7 years "	10
After 7 and under 9 " "	8
After 9 and under 10 " "	5
After 10 and upwards, from the age of 18	free.

Men who have obtained Good Conduct Badges may be allowed to purchase their discharge at a reduction of 2*l.* upon the foregoing rates.

PENSIONS.

All men and boys who enter or re-enter the Navy, under the conditions and for the periods of continuous and general service, already stated, will be allowed pensions after 20 years service from the age of 18, instead of after 21 years service from the age of 20, as at present. Their Lordships also reserve to themselves a discretionary power of awarding pensions of 6*d.* a day each, after ten years service, from the age of 18, and pensions of 8*d.* a day each, after 15 years service from the same age, to all men now in, or who may hereafter enter the Navy, whenever their Lordships may think proper to do so. All men who may be thus granted pensions after 10, 15, or 20 years' service will be held liable, under the 13th clause of the Pensions Regulations (dated the 1st January, 1849), to serve again in the Navy if required, in the event of an armament, or war; and when so serving, will be allowed their Pensions, and the Pay of the ratings they may hold.

The time any continuous service man may serve after the age of 18, will count for pension without reference to the rating held.

Time served in the Navy under the existing system will be allowed to count with time under the new system, in awarding the above pensions.

The circumstance of a man not having completed the specific term of continuous service under the new system for which he entered, will not preclude his being granted a pension after 10 or 15 years combined service, whenever their Lordships shall think proper to grant pensions after those periods.

Petty officers who have completed 15 or 20 years' service will, when pensioned, be granted double the present allowance for the time they have served as a petty officer, provided they shall have entered, and served for one continuous period of not less than ten years, unless invalided for wounds or hurts received on duty; that they shall have been discharged with the rating of petty officer; and that their character in such rating shall have been "very good." Under this rule a chief or 1st class petty officer would be granted an allowance of 1*l.* 10*s.* 5*d.* a year (in lieu of 15*s.* 2½*d.*) for each year he may have served as such; and a 2nd class petty officer 15*s.* 2½*d.* a year (in lieu of 7*s.* 7½*d.*) for each year served as such.

Summary.—In order that seamen may avail themselves of the advantages contingent upon the new terms of service, my Lords desire that these advantages be distinctly explained to them. They may be briefly recapitulated as follows:—

Pay.—Continuous service men will be entitled to the rates of pay stated at page 211.

Pensions.—Pensions will be granted after 20 years' service from the age of 18, instead of after 21 years from the age of 20; and as leave will be allowed when Ships are paid off, during which time and pay will be continued, it follows that seamen entering under or about the age of 18, will receive the same amount of pension for less than 19 years actual service than they would have received under the present system for 23 years actual service.

Pensions may also be awarded after 10 and 15 years' service from the age of 18. Thus seamen may be granted pensions at the ages of 23, 33, and 38 respectively, instead of 43 or 44, the average age at which long service pensions are now awarded.

These pensions will range from 9*l.* 4*s.* a year to 40*l.* a year.

The allowance for time served as a petty officer will, in awarding pensions, be doubled to men who enter for 10 years continuous and general service.

Greater permanency will be given to a man's connexion with the Naval Service. On returning from leave he will be entered on board a Flag-ship without the loss of a day's time or pay, instead of being frequently exposed to inconvenience and distress from his not being able to enter a ship fitting out.

GUNNERS, BOATSWAINS, AND CARPENTERS.

My Lords highly appreciate the valuable services rendered by the warrant officers of the Navy, and the zeal with which their important duties are usually performed; and as a mark of their approbation of such services, they are pleased to direct that the pay of these officers be increased as follows:—

Sea Pay.

	Per day.	Per annum.
	s. d.	£ *s. d.*
1st class	6 7	120 2 11
2nd class	5 8	103 8 4
3rd class	4 9	86 13 9

Harbour Service Pay.

	Per day.	Per annum.
	s. d.	£ *s. d.*
1st class	5 7	101 17 11
2nd class	4 4	79 1 8
3rd class	3 6	63 17 6

Warrant officers who are still paid for particular rates of ships according to the regulations in force prior to the Order in Council of the 28th April, 1836, will be allowed the following increased scale of harbour service pay.

	Per day. s. d.	Per annum. £ s. d.
1st rate	5 7	101 17 11
2nd rate	5 2	94 5 10
3rd rate	4 9	86 13 9
4th rate	4 4	79 1 8
5th rate	3 11	71 9 7
6th rate	3 6	63 17 6

My Lords desire it may be distinctly explained to the warrant officers, individually, that in awarding the above liberal scale of pay, their Lordships have been desirous not only of adequately rewarding their services, but also of enabling them to make provision, by insurance or otherwise, for their widows; and my Lords confidently rely upon the Warrant Officers giving effect to their Lordships' intention in this respect.

In the cases of officers of exemplary character and conduct, two years harbour service are, prospectively, to be considered, in awarding pensions, as equal to one year's sea service; in lieu of the proportion of three to one, as at present.

As a further mark of their approbation of the services of this deserving class of officers, my Lords are pleased to direct that warrant officers of exemplary conduct, who have distinguished themselves by acts of gallantry and daring in the service, be considered eligible to hold commissions in Her Majesty's Fleet, in such rank or position as their Lordships may deem them, after undergoing an examination, entitled to receive, and competent to fill; and all warrant officers so promoted will be granted, respectively, the sum of 100l. as an outfit.

The additional pay of warrant officers is to commence on the 1st of July next; and if those officers who may draw bills shall, before the receipt of this circular, have drawn them for the period commencing the 1st of July, the difference of pay may be added to the next bills they may draw.

COAST-GUARD.

Having reference to the increased responsibility attaching to the situations of chief and commissioned boatmen, their Lordships are pleased to direct that men appointed from the Naval Service shall, when pensioned, be allowed to count service in the former capacity as 1st class, and in the latter as 2nd class petty officers time upon the present scale. Coast-guard men from the Naval Service, when granted gratuities instead of pensions, are to be placed on the same footing as seamen.

Time in the Coast-Guard, after a combined service of twenty-one years, is to count towards higher rates of pension, as if served in the Royal Navy; time served as chief and commissioned boatmen being subject to the rule laid down in the foregoing clause.

Ten years' service in the Navy, from the age of 18 (instead of 7, in man's rating as now regulated), is to be the required term of service, previous to admission into the Coast-guard; appointments thereto are to be open to ordinary seamen, of thoroughly good conduct.

Coast-guard men are to be permitted to wear the good conduct badges or other distinctive marks they have obtained in the Royal Navy, but are not to be entitled to the additional pay.

The several distinctive badges referred to in the preceding regulations, will be forwarded to the out-ports, and will be as follows, embroidered in gold.

Chief Petty Officers	Crown and Anchor encircled with Laurel.
1st Class Petty Officers	Crown and Cross Anchor.
2nd Class Petty Officers	Crown and Anchor.
Leading Seamen	The Anchor.

These regulations are to take effect on and after the 1st July next; except as regards men entering for continuous service on Foreign Stations, where they are to commence so soon as they are understood by the men, and they volunteer for continuous service; and all existing regulations not cancelled or modified by those now promulgated are to remain in force.

Great care is to be taken that no men of indifferent character are received for continuous service, or who are constitutionally or otherwise unfit, and in the rating of men strict attention is to be given to their qualifications.

In every case in which a man enters for continuous service under the foregoing regulations, the form No. 95 is to be filled up and forwarded, with as little delay as possible, to the Secretary of the Admiralty, for the Accountant-General of the Navy

R. OSBORNE.

EXAMINATION FOR THE RANK OF LIEUTENANT.

Admiralty, August 8, 1853.

With reference to Art. 21, Chap. 2, page 21, of the Admiralty Instructions, which provides that Mates, who have already passed their examination abroad, shall pass an examination at the Royal Naval College, within two months of their return to England, in order to entitle them to confirmation from the date of their first Certificate; and it appearing that some misapprehension has arisen on this point, and that it has been supposed that, provided a Mate passes within the specified period, it is immaterial whether he fail, or otherwise, in his first examination at the College; my Lords desire that, in future, it may be clearly understood, that Mates who have already passed abroad are at liberty to select either the 1st, 2nd, or 3rd examination day at the Royal Naval College, after their arrival in England; or, if belonging to a ship under orders to be paid off, on the 1st, 2nd, or 3rd examination day after having been so paid off.

If rejected on *any* examination day, officers will incur the forfeiture of 3 months' seniority in their rank as Mates, instead of being allowed to take seniority from the date of their passing in Seamanship: a second rejection will incur the forfeiture of 6 months' seniority, and a 3rd rejection 9 months (in the whole). All other cases will be dealt with specially by the Board of Admiralty.

The non-appearance of Officers for Examination at the times required by these Regulations will be considered as a tacit acknowledgment of their not being qualified, and will be dealt with in the same manner as if they had been actually rejected on each day on which they may have omitted to appear, viz.—Non-appearance on the 3rd Examination Day will incur the forfeiture of 3 months' seniority; non-appearance on

the 4th day, 6 months; non-appearance on the 5th day, 9 months; and all other cases of Mates not appearing must be specially reported to the Board for the decision of their Lordships.

By Command of their Lordships,
W. A. B. HAMILTON.

EXAMINATION FOR THE RANK OF LIEUTENANT AFTER FIVE YEARS' SERVICE.

No. 208. *Admiralty, 27th August*, 1853.

By their Lordships' Order of 3rd August, 1853, it is provided that a Mate, if rejected on *any* examination-day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his Rank of Mate for each occasion of his being so rejected, and also a corresponding penalty for each occasion of his failing to present himself to pass; the non-appearance of Officers being considered as a tacit acknowledgment of their not being qualified.

My Lords are pleased to direct that the same Regulations which govern the Seniority of Mates (whether rejected or failing to present themselves) shall be made applicable to Acting Lieutenants, who are to be deprived, in the same proportion as Mates, of three months in their Seniority as Lieutenants for each occasion of their being rejected, or failing to present themselves for examination.

In the event of any cases occurring of an Officer being rejected more than three times, or of his failing to present himself on a 6th examination day after his arrival in England, (or if belonging to a ship under orders to be paid off, on the 6th examination after having been so paid off,) such cases will be especially dealt with by the Board of Admiralty.

The above regulations are to apply to the cases of Second Masters, and Officers promoted abroad to the rank of Acting Master.

By command of their Lordships,
(Signed) R. OSBORNE.

The Lords Commissioners of the Admiralty have directed, by an order dated December 1855, that the College Sheet is to contain questions on the Theory of Navigation and Astronomy, also on the prevailing winds and currents of the ocean, and on the practical application of the rules of navigation and astronomy to Surveying and other Nautical purposes, in order to test the knowledge and qualifications of all Officers passing at the Royal Naval College.

EXAMINATION FOR THE RANK OF LIEUTENANT AFTER FIVE YEARS' SERVICE.

No. 319. *Admiralty, 29th March*, 1858.

The attention of the Lords Commissioners of the Admiralty has been called to irregularities which have taken place in the examination of midshipmen, who having completed five years service at sea, and having attained the full age of nineteen years, have presented themselves for examination in order to avail themselves of the advantages held out in Article 20 of the Circular, No. 288.

By that Article of the Regulations in question, it is provided that Midshipmen after five years service, and being nineteen years of age, may be permitted to undergo examinations in Seamanship, Gunnery, and Navigation, in accordance with the Regulations prescribed by the Circular, No. 288, and under those Regulations the Certificate to be granted to Candidates should be in accordance with the Forms No. II., III., IV., prescribed by Article 14 of the above Circular.

My Lords have observed that instead of adhering to these Instructions the Examining Officers have granted Certificates of Qualification to Candidates who have completed only five years service at sea, without requiring them to undergo the more stringent examination required by the Circular, and have entirely dispensed with the prescribed forms in granting the necessary Certificates of Qualification, thereby conferring upon Midshipmen already in the Service an advantage which was only intended to be conceded to those who were prepared to submit themselves voluntarily to the more stringent examinations.

My Lords therefore direct that Midshipmen who entered the service prior to May, 1857, and who may be willing to profit by the encouragement held out in the Circular, No. 288, are to be granted Certificates of Qualification in those cases only in which they may be found to be qualified in accordance with the Regulations of the Circular, and such Certificates are to be in the Forms No. II., III., IV., as already directed.

It is also to be observed that Midshipmen who have completed only five years service will not be permitted when in England to receive Acting Appointments as Mates, until they have undergone all the examinations required in Seamanship, Gunnery, and Navigation, after which their seniority as Mates (provided they have not been rejected) will date from their Certificate of Qualification in Seamanship.

The Certificates in Seamanship of Candidates after five years service, who may be examined provisionally, or before three Captains when abroad, are also to be in accordance with the Circular No. 288, and the examinations for Gunnery and Navigation are to be conducted also by three Captains, with the assistance, when practicable, of a Gunnery Officer and a Naval Instructor, and the Certificates are to be in the proper forms, although the two latter Examinations will be required to be repeated at home on board the "Excellent," and at the Royal Naval College.

It is to be clearly understood however that the Form of Certificate required, and the orders herein prescribed, are not to be considered as applicable to Midshipmen who may be examined as heretofore, after the completion of six years service at sea, but in all cases the Certificate of Qualification in Seamanship is to be accompanied by separate Certificates stating that the Candidates have been examined in Gunnery and Navigation, and also stating the opinion of the Captains upon their proficiency and qualification in each. Candidates passing abroad after the completion of five years service are to be cautioned that they will be expected to appear for Examination in Gunnery on board the "Excellent," at the first examination after their arrival in England, and failing to do so will be entitled to Seniority in Seamanship only from the date of their completing six years service at sea.

By command of their Lordships,
HAMET CORRY.

CIRCULAR, No. 320.

Admiralty, 30th March, 1858.

(EXAMINATION FOR THE RANK OF LIEUTENANT.)

By their Lordships' order of the 3rd August, 1853, it is provided that a Mate, if rejected on any examination day at the Royal Naval College, shall incur the forfeiture of three months' seniority in his rank as Mate for each occasion of his having been so rejected, and also a corresponding penalty for each occasion of his failing to present himself within the period prescribed by the Regulations, the non-appearance of officers being considered as a tacit acknowledgment of their not being qualified.

With reference to the order above referred to, my Lords direct that in all future cases of an officer having allowed two or more examination days to elapse (beyond the period limited by the Regulations), without presenting himself to pass at the Royal Naval College, such officer shall not be allowed to undergo his final examination except by a special order from their Lordships.

In the event, therefore, of an officer not having presented himself to pass on or before the fifth examination day after his arrival in England, or (in the case of his belonging to a ship under orders to be paid off), on the fifth examination day after having been so paid off, he is to report to their Lordships the cause of his non-appearance, when, if his explanation should prove satisfactory, he will be allowed to present himself for examination on the next passing day; but if his explanation should prove unsatisfactory, his name will be removed from the list of the Navy.

In cases also of an officer having been rejected at the College on one occasion, and having neglected to present himself to pass on two other occasions; or in cases where an officer may have been rejected twice, and have failed to appear for examination on a third occasion, such officer is on no account to be allowed to pass without application to, and special permission from their Lordships, and in the event of his explanation proving unsatisfactory his name will be removed from the List.

In cases of officers applying for permission to pass as required by this Regulation, he is to state in his application the name of the ship or ships in which he may have served since the date of his having passed in seamanship, and also the date of his arrival in England. Should he have returned to England on more than one occasion after his passing in seamanship, he is to specify the date of such former arrival.

In future, a third rejection at the Royal Naval College, or three non-appearances, or three cases of rejection and non-appearance combined, unless satisfactorily accounted for, will entail an officer's removal from the List of the Navy.

N.B.—The above Regulations are also to apply to officers promoted abroad to be acting Lieutenants, as well as to the cases of second Masters, and to officers promoted abroad to the rank of acting Master.

By command of their Lordships,
H. CORRY.

To all Commanders-in-Chief, &c.

CIRCULAR No. 324.

Admiralty, 4th May, 1858.

RESIDENCE OF ACTING MATES AND ACTING LIEUTENANTS AT ROYAL NAVAL COLLEGE.

My Lords Commissioners of the Admiralty being of opinion that it would be highly conducive to the advantage of Her Majesty's Service, as well as to the interests of young officers, if acting Mates and acting Lieutenants were to be received into the Royal Naval College at Portsmouth while preparing to pass their final examinations; their Lordships have been pleased to make arrangements by which officers so preparing to pass, will in future be received into that Establishment, under the following Regulations.

1. They will be borne on the Books of H.M.S. "Excellent" as supernumeraries for victuals only, and will be checked to the Royal Naval College with an allowance of 1s. 6d. a day in lieu of provisions. Officers on full pay, will be checked of their provisions on board their respective Ships while at the College, and those not belonging to a Ship will receive the benefit of the allowance.

2. As many officers as can be accommodated with cabins, will be required to reside entirely in the College. Officers who cannot be so accommodated, will be allowed to sleep out until cabins are vacant for them, but they will be expected to take their meals at the College Table.

3. Officers will be expected to be within the walls of the College by half-past 9 o'clock in the evening. In the event of any infringement of this rule occurring, a report of it will be made of it in the morning to the Captain Superintendent, who will take such steps as he may think right to prevent a recurrence of the irregularity.

4. The Library will at all times be open to officers subject to the rules now in force, but no Books are to be taken out of it.

5. The Study of the permanent officers is reserved for their exclusive use until 4 P.M. After that hour it may be used by other Officers studying in the College until lights are put out in the evening. The Library, however, may at all times be used for the purposes of study.

By command of their Lordships,
W. G. ROMAINE.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an Intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X. and XII. are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship; and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instruct or by two Masters; that in Gunnery by a Gunnery or other competent Officer; and at these Examinations the Candidate is to be made to take and work out his own Observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII. must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman, having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes succe-sfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate, to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.

2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent, at the first Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X. and XII. are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years' service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 58, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates shall equally apply to them. Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXII. With reference to Circular, No. 97, of the 9th December, 1851,—The foregoing Examination for the entry of Naval Cadets under 14 years of age shall be extended to Masters' Assistants, between 14 and 15 years of age, and the foregoing Examination for the entry of Cadets above 14 years of age shall be extended to Masters' Assistants between 15 and 16 years of age. The knowledge of Latin, French, and English History, will not be required of Masters' Assistants at these Examinations.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken

T

that they are regularly instructed in Practical Seamanship Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

5. Arithmetic, including Proportion, and a fair knowledge of Vulgar and Decimal Fractions.
6. A knowledge of the Definitions and Axioms of the First Book of Euclid.

As Drawing will prove a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

V. If the Candidate be found unqualified at his First Examination, he will be allowed a second trial at the next Quarterly Examination. Should he not pass this Second Examination, he will be finally rejected.

VI. If the Candidate succeeds in passing the required Examination, he will be at once appointed to a Training Ship for the purpose of instruction in the subjects contained in Sheet No. 1, as well as in the Rigging of Ships, Seamanship, the use of Nautical Instruments, &c.

VII. Quarterly Examinations will be held on board the Training Ship, when any Cadet may be examined in the subjects contained in Sheet No. 1, and also in the course of instruction in the Rigging of Ships, Seamanship, &c.

VIII. If a Cadet be found, at the Quarterly Examinations, not to have made sufficient progress, or if, by indifferent conduct or idle habits on board the Training Ship, he shall show his unfitness for the Service, it will be the duty of the Captain to make a Special Report thereof to the Admiralty, in order that the Cadet may be at once removed from the Navy.

IX. When a Cadet shall have completed 12 months' *instruction*, exclusive of vacations, in the Harbour Training Ship, he will be examined: and should he obtain a Certificate of Proficiency, he will be discharged into the Seagoing Training Ship.

A 1st Class Certificate will entitle him to count 12 months' Sea Time.

A 2nd Class Certificate will entitle him to count 6 months' Sea Time.

* These Examinations will take place on the first Wednesdays in the Months of March, June, September, and December.

A 3rd Class Certificate will not entitle him to count any Sea Time.

But should he not obtain a Certificate, he will be discharged as unfit for the Service.

X. On leaving the Harbour Training Ship it is inteaded that the Cadet shall pass three months in a Sea-going Training Ship, for practical instruction in Seamanship and Navigation, which period will count for sea-time, and at the end of this period, if his conduct has been satisfactory, he will be appointed to a Ship with the rating of Midshipman.

MIDSHIPMEN.

To qualify a Midshipman for a Lieutenant's Commission, he must have attained the full age of 19 years, and have completed 5½ years' actual service in Her Majesty's Navy, including the time awarded him on leaving the training ship.

XI. All Midshipmen, until they shall have passed their Examinations for Lieutenant, are to keep a book in which the Ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their Examinations; and during the last six months of their service as Midshipmen it must contain the working of the observations as given in sheet B.

XII. A Midshipman when he shall have served two years and a half in that rank will be required to pass the following Examination.

1. In practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.
2. A sufficient knowledge of a Chart to enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.
3. Such knowledge of Nautical Surveying as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.
4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.
5. A proficiency in French to be attained if he has had an opportunity.
6. He must be a good practical observer, and his Sextant must be produced in good order.
7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.
8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under way, and the use of the Hand and Deep-Sea Leads. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

This Examination is to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors, when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent Officer; and the Candidate is to be made to take and work out his own Observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 239, or he is to be rejected if found incompetent.

XIII. A Midshipman, having completed his term of service, and being nineteen years of age, may be provisionally examined by the Captain or Commander of such Ship or Vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, when no other Ships are present, in the Forms Nos. II., III., IV.; and if they find him to be duly qualified, they are to give him a Certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders; and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first Certificate.

The Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of Good Conduct from Captains he has served under from the time of his discharge from the Training Ship.

XIV. All Acting Mates and Midshipmen will be required to undergo the following final Examinations:—

1. In Seamanship—on board the Training Ship at Portsmouth.
2. In Gunnery—on board the Excellent.
3. In Navigation and the Steam Engine—at the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Training Ship at Portsmouth at the first Examination Day after their arrival in England, or after being paid off; and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XV. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVI. Officers when they have passed their final Examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XVII. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XVIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

XIX. This Circular is to come into force on the 1st of April, 1860, and is to apply to all Cadets who may enter the Service after that date.

[Examination of Masters, and Second Masters.]

Admiralty, December 17th, 1849.

The Lords Commissioners of the Admiralty having had under their consideration the present Regulations for the examination of Masters and Second Masters of Her Majesty's Fleet, as defined by art. 21, chap. 2, p. 22, and art. 25, chap. 2, p. 25, of the printed Instructions, have been pleased to direct that on and after the 1st of January next, the following Regulations shall be adopted, viz.:—

All Officers passing for the rank of Master or Second Master (or Officers from the Merchant Service who are Candidates for those ranks, under the Queen's Regulations, art.

6, chap. 8, p. 24) shall be examined in Seamanship, either at home or abroad, by one Captain or Commander, and three Masters; and after having received a Certificate of having passed such Examination, they shall undergo their Examination in Navigation at the Royal Naval College (instead of the Trinity House), under the same regulations and at the same period, as Midshipmen passing for Lieutenants; but the Examination for Pilotage is to be conducted at the Trinity House, under the rules and regulations at present in force, but subsequent to the above mentioned examinations. Having completed the above examinations they will be considered eligible for the rank of Master in the Royal Navy, provided they shall have served the time required by the Queen's Regulations.

The Seniority of Second Masters (or of Candidates for the rank of Master) is in future to reckon from the date of their passing in Seamanship for that rank, provided they shall subsequently pass in Navigation at the Royal Naval College, on the first, second, or third Examination day following, either of which days they are at liberty to select; or, in the event of an Officer having previously passed *abroad* in Seamanship, he is at liberty, after his arrival in England, to select either the first, second, or third Examination day at the Royal Naval College; or if belonging to a ship under orders to be paid off, on the first, second, or third Examination day after having been so paid off, when, if he shall succeed in passing, he will be allowed seniority from the date of his having passed abroad. But no Second Master (or Candidate for the rank of Master) will be allowed such seniority who shall fail in passing at the Royal Naval College at the *first* trial, or who shall not pass at the Trinity House within a month after his having passed in Navigation.

Officers appearing before the Trinity Board for the purpose of passing in pilotage must be qualified to take charge, as Pilot, of any of Her Majesty's frigates for the Coast and Ports for which Masters have hitherto been examined; and when they shall have served three years at least in Frigates or Sloops, they may be further examined as to their qualifications to take charge of Line-of-Battle Ships, but in this examination it will be required that they pass for the largest description of First-Rates. In the event of an Officer serving abroad as Acting Master of a Line-of-Battle Ship, the time so served may reckon as part of the aforesaid three years.

The Class of Ship of which Officers are capable of taking charge as Pilots will be stated in the Certificate granted to them by the Trinity House.

All Officers desirous of being examined in Pilotage at the Trinity House, either for the rank of Second Master, or as to their qualifications to serve as Masters of Frigates, or of Line-of Battle Ships, should present themselves at the Admiralty, bringing with them a Certificate of their Birth, and also their original Certificates for the entire period they have been employed in Her Majesty's Service, or in Merchant Ships, in each of which Certificates the word Sobriety must be included. Similar Certificates must be produced by Officers presenting themselves to pass in Navigation at the Royal Naval College.

By command of their Lordships,

JOHN PARKER.

To all Flag Officers, Captains, and Commanding Officers, of Her Majesty's Ships and Vessels.

CIRCULAR, No. 97.

[*Regulations respecting Masters' Assistants.*]

Admiralty, Dec. 9th, 1851.

My Lords Commissioners of the Admiralty have been pleased to issue the following Regulations relative to the future Entry and Examination of Masters' Assistants in the Royal Navy:—

1. The Entries of Masters' Assistants will be limited to such numbers annually as their Lordships may from time to time direct.

2. The age and qualifications required for the admission of a Master's Assistant in the Navy are to be in accordance with the following rules, and the examination is to take place at the Royal Naval College.

A Candidate for an appointment as Master's Assistant must not be less than 14, nor more than 16 years of age, [unless he be selected from the Merchant Service, in which case the age is extended to 18, provided he has served two years at sea,] he must be in good health, and produce a certificate of his age, parentage, and regularity of conduct.

On his entry into the Service, if between the ages of 14 and 15 years, he is to pass the same examination as a Naval Cadet on his first entry.

If entered between the ages of 15 and 16 years, in addition to the above, he will be required to understand the practical use of the Sextant, and the mode of keeping a Ship's reckoning by working a day's work, and obtaining the latitude by observation.

If at the age of 16, he will also be required to know the mode of obtaining the longitude by Chronometers, the variation of the Compass, and he must be able to explain the mode of rigging lower masts and bowsprit, and the more simple evolutions of working ship under plain sail.

3. When a Master's Assistant has completed a servitude of three years with that rating, he must be examined by the Captain or Commander and the Senior Lieutenant as to the progress he has made in obtaining a proper knowledge of practical seamanship in all its branches, fitting, turning in, and setting up rigging, shifting masts, yards, and sails, laying out and weighing anchors by Boats, taking Helm and Lead, stowage of provisions and water, and by the Naval Instructor in his knowledge of Navigation, determining the Latitude and Longitude by day and night observations, the use of Chronometers, the Azimuth Compass, and the mode of constructing Charts; and every Master's Assistant must serve three complete years after this examination before he shall be allowed to pass for Second Master; an Officer who may have been entered from the Merchant Service must also pass this examination; but in order that he may not lose the time which he may have served in the Merchant Service, he is to be allowed to pass this examination whenever he shall have completed one-half of the further period which he has to serve in the Royal Navy, and he may then pass for Second Master on completing the other half of such servitude.

4. Masters' Assistants, whilst serving on board H. M. Ships, are to be instructed by the Naval Instructor, for which he will be allowed the usual tuition money, and the expense will be defrayed by the Admiralty.

5. The Master of the Ship in which Masters' Assistants are serving is to instruct them in practical seamanship, and other branches of a Master's duty, as directed by the Admiralty Instructions, Chap. VII. Art. 21, page 217; and the half-yearly Report, or Form No. 284, is to show the advancement made by them from time to time.

6. On a Ship being paid off, Masters' Assistants will be entered on the Books of a Guard-Ship, for such time as their Lordships may direct, or until selected for another appointment, provided they possess good Certificates, and are recommended by their Commanding Officer.

7. Masters' Assistants, when they have completed their regulated period of servitude, and have passed their examinations for Second Master, will be placed on the List of the Navy in that rank, and will be employed receive the commission and pay of a Second Master (being borne in lieu of Masters' Assistants, if there should not be vacancies for Second Masters in the Ships in which they may be serving); but they will not be eligible for promotion to the rank of Master until they shall have served two years further in the capacity of Second Master.

8. Masters' Assistants passing abroad in Seamanship, and temporarily in Navigation and Pilotage, are to be appointed by their Commanders-in-Chief, or by their Commanding Officers, to be acting Second Masters, in the same manner as is provided for Midshipmen to be rated Acting Mates when they pass their examination for Lieutenant, but they must be borne in lieu of Masters' Assistants.

By Command of their Lordships,

JOHN PARKER.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast, by a blue riband for the Navy, and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military force is under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distinct and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the

regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers or Marines shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at Our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
PANMURE.

MOTHERS.

Where an Officer is killed in action, and leaves no widow nor legitimate child, but leaves a mother who is a widow, in distressed circumstances, and who was dependent upon him, the mother shall receive a pension equal to the ordinary rate of widow's pension attached to the rank which her son held at the time of his death; but if such mother shall herself be in receipt of a pension as an officer's widow, or shall have any other provision of any kind from the public, in that case no allowance will be made to her on account of her son, unless she gives up the other pension or allowance, and the pension given to a mother on account of her son will be forfeited on remarriage.

SISTERS.

The allowance made to the sisters of Officers is not to exceed that which would be given to a mother, and will not be given in any case unless the officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no widow, legitimate child, nor mother, nor unless the sister shall be an orphan, having no surviving brother, and shall have been dependent for support upon the officer killed. Every pension so granted will cease when the person receiving it shall marry or be in any other manner sufficiently provided for.

The Widows of Boatswains, Gunners, and Carpenters, of the Royal Navy, and Masters of Naval Vessels, appointed *prior* to the 30th of June, 1830, will, if otherwise qualified, be entitled to a Pension of 25*l*. Widows of the above Warrant Officers, and the Widows of Engineers who shall have been warranted *subsequently* to the 30th June, 1830, are not entitled to Pensions unless their husbands shall have suffered a violent death, and provided they shall be otherwise entitled to the same, in which case the following Pensions will be allowed.

To the Widow of a Gunner, Boatswain, Carpenter, or Engineer, whose husband shall have been killed in action, a pension of 35*l*. a-year.

To the Widow of any of the above-named Warrant Officers, whose husband shall have been drowned on duty, or suffered a violent death in an immediate act of duty, a pension of 30*l*. a-year.

Art. 3.—The Pensions of all Widows shall commence from the first day of the Month following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application; and all applications for Pensions must be addressed to the Secretary of the Admiralty.

Art. 4.—The Widows of Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective Classes in the event of their Husbands having been on the List of Commission or Warrant Officers, or on the list of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service.

Art. 5.—No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served Three Years on Full Pay subsequent to their marriage, and shall have served the length of time to entitle him to his Half-pay.

Art. 6.—No Widow shall be entitled to the Pension who has not been married Twelve Months to the Officer by whose right she claims the same, unless the said Officer was *killed* or *drowned* in the Sea Service; but the Lords Commissioners of the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their Marriage, in such cases as they think proper.

Art. 7.—If any Officer shall marry after the Age of Sixty Years, his Widow shall not be entitled to receive the Pension; or, if being capable of Service, he should, at his own solicitation, be excused from it, being at the time warned that his Widow would thereby forfeit the Pension.

Art. 8.—The above Pensions shall not be received by any Widow, together with any other Pension from the Government.

Art. 9.—Widows who shall have re-married after the 31st December, 1830, shall forfeit their Pensions.

Art. 10.—The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their Receipts shall, notwithstanding their Coverture, be deemed a sufficient discharge for the payment of their Pension.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirty-first Day of March next, Our Royal Proclamation of the Thirtieth Day of July One thousand eight hundred and forty-nine, regulating, according to the Scheme set forth therein or recognised thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of several new Ratings and Denominations and certain alterations having been introduced and made in our Royal Naval Service since the Date of Our said former Proclamation, and for other Causes, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the Officers and Crews of our ships and vessels in the Manner of Prize Money:

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That the Distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to Our Royal Navy in the manner of Prize Money, shall be made as follows; viz.—

That the flag officer or officers shall have one twentieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one twentieth part; when two flag officers shall be sharing together, the chief shall have two thirds, and the other flag officer shall have the remaining one third of the one twentieth part; and when there shall be more than two flag officers, the chief shall have one half of the said one twentieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers: Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers, belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy;

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time that service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one twentieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulation as to the apportionment of the flag share to the flag officer or officers is to be observed.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer, duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time shall have one eighth of the remainder, or if there is no flag, one eighth of the entire net proceeds—except that if the single capturing ship be a rated ship, having a commander unde the captain, the commander

shall take a portion of the one eighth part, as if he were commander of a sloop, according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one eighth shall be equally divided between them; but when captains, commanders, lieutenants commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one eighth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

CIRCULAR No. 395.

Admiralty, 1st December, 1859.

PRIZES BROUGHT BEFORE THE VICE-ADMIRALTY COURTS ABROAD.

Her Majesty having been pleased, by Her Order in Council of the 22nd day of October, 1859, to establish the following Regulations for the several Courts of Vice-Admiralty abroad, touching the practice to be observed in the said Courts in proceedings instituted on behalf of Her Majesty's Ships, and as to the costs incurred in such proceedings, and for securing the transfer to the account of Her Majesty's Paymaster-General, on account of Naval

Prize, of the proceeds of any prizes which may be condemned in the said Vice-Admiralty Courts to any of Her Majesty's Ships, My Lords hereby make known the same for the information of the Officers of Her Majesty's Ships whom they may concern.

1. Whenever any Ship, Vessel, Goods, or Merchandize has or have been detained or captured by any of Her Majesty's Ships or Vessels of War, and it has been determined to send the same before some Vice-Admiralty Court for adjudication, the Commanding Officer of the capturing Ship shall deliver to the Officer who may be sent in charge of the Prize an authority to institute the necessary proceedings, and such authority shall be in the terms or to the effect contained in the Exhibit hereto annexed marked No. 1.

2. The Officer, to whom such authority is given shall, upon his arrival in Port, or the Commanding Officer shall himself, if in Port, deliver the said authority to the Queen's Proctor in the Colony, or in his absence, or on his refusal or default to institute proceedings, to any other Proctor in the said Colony; and such Proctor may thereupon institute the necessary proceedings against the said Prize, with a view to her condemnation.

3. At the termination of the proceedings the Proctor who shall have conducted the suit on behalf of the Queen's Ship shall submit his costs, as also any charges which may have been paid by him, and which are properly chargeable against the said Prize, including the expenses, if any, attending the maintenance and conveyance of the Prize Officer and Crew, for taxation; and the Registrar of the Court, after having carefully examined them, shall report to the Court the amount at which such costs, charges, and expenses ought to be allowed.

4. Should the Prize be condemned, then, if the proceeds arising from the sale thereof are sufficient, the Court may order payment of the sum at which the said costs, charges, and expenses have been taxed, to be made out of the said proceeds, and the balance of such proceeds shall be forthwith paid to the senior Commissariat Officer of the place, in order that the same may be remitted to this country, in accordance with the provisions of the Act of the 17th Victoria, cap. 19.

5. But if the proceeds shall be insufficient to pay the amount at which the said costs, charges, and expenses have been taxed, the Court may order the whole of the said proceeds to be paid in part satisfaction thereof; and the said Proctor may then draw on the Accountant-General of the Navy a bill at thirty days after sight, for the balance remaining unpaid, and shall transmit with such bill the authority above mentioned from the Commanding Officer of the capturing Vessel for instituting proceedings against the said Prize.

6. If, however, there shall be no proceeds, or if the Prize against which proceedings have been instituted has been decreed to be restored, the Proctor may draw upon the Accountant-General of the Navy a bill at thirty days after sight for the whole amount at which the said costs, charges, and expenses have been taxed and allowed by the Court, and shall transmit with the said bill the authority from the Commanding Officer of the capturing Ship, authorizing him to institute proceedings against the said Prize.

7. The Registrar of the said Court shall, as soon as possible after the said Costs are taxed, and *before* the Proctor has drawn upon the Accountant-General of the Navy for the amount which may be due to him, transmit the account of the said costs, charges, and expenses in original, signed by himself and the Judge of the said Court, to the Registrar of the High Court of Admiralty of England, accompanied with a certificate stating the amount at which it has been taxed, whether the whole or what part thereof has been paid, and whether any and what part remains due, and for which the Proctor may draw upon the Accountant-General of the Navy, and if the proceedings have not been conducted by the Queen's Proctor, whether that officer has declined or refused to conduct them, and on what grounds.

8. The Accountant-General of the Navy shall, upon any such bill as aforesaid being presented to him for payment, forward to the Registrar of the High Court of Admiralty a statement showing the amount for which the bill is drawn, the name and description of the person by whom it is drawn, and the Prize in respect of which the same is payable, and the Registrar shall thereupon inform the Accountant-General whether the amount for which the bill is drawn agrees with the account received by him from the Registrar of the Vice-Admiralty Court, and whether there is any reason why the said bill should not be accepted and paid.

9. Upon receiving the reply of the Registrar of the High Court of Admiralty, the Accountant-General of the Navy may accept the said bill, in whole, or in part, to the extent of the amount which may appear to be properly due, and shall, if a condemnation has taken place, debit such amount against the Prize in respect of which the said costs, charges, and expenses have been incurred; and the bounties or other monies which have been, or may thereafter be paid to the Naval Prize Account in respect of the said Prize, shall be applied, so far as they will extend, towards the reimbursement of the said amount.

10. But if there should be no such bounties or other monies, or if the bounties or other monies should be insufficient for the purpose, the amount which remains unsatisfied shall be placed to the debit of the Commanding Officer of the Ship of War who authorized the seizure, and shall be charged against any prize money or pay which may be or become due to him, unless the Commissioners for executing the office of Lord High Admiral for the time being shall think proper to relieve him from the payment thereof.

11. The Registrar of each Vice-Admiralty Court shall transmit at the end of each quarter to the Registrar of the High Court of Admiralty a return of all the Prizes in respect of which any proceedings have been taken during the said quarter, in the Form hereto annexed, marked No. 2, showing the name of the Prize, the names of the capturing Ship and of its Commanding Officer, the date of the adjudication, the amounts of proceeds, if any, the amounts of the costs as taxed and allowed, the amount, if any, for which the Proctor has been authorized to draw upon the Accountant-General of the Navy, the payments that have been made out of the proceeds, specifying the amount thereof, to whom paid, and when, and such return shall be signed by the Judge and Registrar of the said Vice-Admiralty Court.

12. These Rules, Orders, and Regulations, if approved by Your Majesty in Council, shall be transmitted to all the Vice-Admiralty Courts within Your Majesty's Dominions, and shall come into operation on the 1st day of January, 1860, or as soon afterwards as it shall be known to the Officers of the respective Vice-Admiralty Courts.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

"I, *A. B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admiral's as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong

to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

Sir,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. Croker.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

And it is further established and declared, That such Freights shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of *July* One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Twenty-third Day of *April* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of *One* per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of *June* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only;

By Command of their Lordships,

SIDNEY HERBERT.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, assistant engineers, petty officers and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; or of men who have served or are now serving in the coast guard; or sons of officers or seamen registered in any way to serve Her Majesty; and also sons of seafaring persons.

The Lords Commissioners of the Admiralty direct, that the system of admission to this school by patronage, and any exclusive right of admission on the part of commissioned officers, shall cease for the future after the 31st December, 1860, with the exception of the right hitherto enjoyed by Lloyd's Patriotic Fund Committee.

The claims for admission to the school to be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1*st Class.*—(1.) Orphans, both parents dead.

(2.) Fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2*nd Class.*—Sons of warrant officers and assistant engineers, not included in the before-mentioned class.

3*rd Class.*—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

4*th Class.*—1. Sons of seamen registered in any way to serve Her Majesty.

2. Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Secretary, Greenwich Hospital; which, when properly filled up, must be returned to him as directed, with the two following certificates:—

1. A Certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.

2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between 10 and 12 years of age, physically fit for sea-service, able to read an easy sentence, and possess a knowledge of the four first rules in arithmetic.

Boys will be discharged from the school at the age of 14 years, unless they succeed by their talents, industry, and good conduct in obtaining admission into the "Nautical Division" by competitive examination; and upon their discharge at this age, provided they are then fit for the Royal Navy, will, with their own consent, be entered as boys in that service. But no boys will be compelled to enter the Royal Navy against their own consent.

The "Nautical Division" of the Greenwich Hospital School will consist of 110 boys, who will be discharged at the age of 15 years, unless specially recommended by the Principal of the school to remain an additional year for further instruction, which special cases will be taken into consideration by the Lords Commissioners of the Admiralty. The education in the Nautical Division will embrace such mathematical instruction as is necessary for a sound knowledge of the principles of navigation, the theory and practice of marine surveying, construction of charts, the practical use of instruments for magnetical and astronomical purposes, together with the usual elements of an English education, the study of the Bible, and instruction in the doctrines of Christianity, with such modifications in the course of instruction as the Lords Commissioners of the Admiralty may from time to time direct.

The education of the other boys, who comprise the "Lower Division" of the school, will include reading, writing, spelling, arithmetic, the elements of algebra, Euclid, plane trigonometry, the principles of the steam engine, together with such simple elements of practical science as are made the subjects of the evening lectures to the boys. Also the elements of an English education and religious instruction.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholic or of Protestant Dissenters will not be required to learn the Church Catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the Father be dead at the time of a child's admission, then the marriage certificate, or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such Child.

P.S.—Applications for information, respecting form of application, &c., must be addressed to the Secretary, Royal Hospital, Greenwich.

EXAMINATION OF SCREW PROPELLERS.

Admiralty, April 4th, 1856.

The practice of raising Screw Propellers for the purpose of examination being sometimes neglected for too long a period, My Lords desire the Captains and Commanders of all Steam Ships and Vessels fitted with trunks and apparatus for raising Screw Propellers to cause the Screw to be raised at least once a month, or after steaming a distance of two thousand miles, and the result of the examination inserted in the Engine Room Register, and in the Three-Monthly Report of the State of the Engines.

Whenever there are no surfaces of iron exposed to the action of the water, the Screw should be kept shipped, and not suspended in the trunk; but, if there should appear to be any particular reason to justify a deviation from this course, the Screw should be lowered at least once a month, and turned round by the engine, or by the turning gear, to ascertain that the fittings are in all respects in working order; when the result, and the particular circumstances that rendered it desirable to keep the Screw unshipped, are to be recorded in the register and periodical return above specified.

By Command of their Lordships,
R. OSBORNE.

PRECAUTIONS TO BE OBSERVED TO PREVENT ACCIDENTS WHEN SALUTING.

Admiralty, 30th May, 1856.

My Lords Commissioners of the Admiralty have to call the attention of Officers in command of Ships to the accidents which frequently occur in firing Salutes, in consequence of the Vent being stopped by the thumb in lieu of a properly fitted Vent Plug; and they desire that whenever it may be necessary to reload a Gun for the purpose of saluting, it may be run into a "taut breech" before the sponge is entered for sponging it, and that care be taken that the proper Gun's Crew are in their respective stations.

As a further precaution, the Worm is to be used before the Sponge.

By Command of their Lordships,
R. OSBORNE.

CIRCULAR, No. 254. (Cancelling No. 102.)

Admiralty, June 17th, 1856.

(SALVAGE CLAIMS.)

With reference to the 485th section of the Merchant Shipping Act, 1854, My Lords Commissioners of the Admiralty are pleased to direct, that Circular No. 102 be cancelled, and that the Commanding Officers of Her Majesty's Ships and Vessels shall conform to the directions contained in the following Circular and the clauses of the Act subjoined thereto:—

1. All Officers in Command of Her Majesty's Ships are, as heretofore, to afford every possible aid to Vessels in danger distress, or in want of casual assistance.

2. When such services have been rendered, the Commanding Officer of the Ship is to transmit a full report of the whole circumstances of the case, with a copy of the Ship's Log, to the Commander-in-Chief, or Senior Naval Officer of the Station, for transmission to my Lords, whose written approval is requisite before any Officer in the Navy can raise a claim for Salvage, and such approval will not be given unless *really important Service, or Service accompanied with hazard, has been rendered.*

3. In cases where relays of men are sent for the purpose of affording assistance, and where a large portion of the Crew have been employed, the Salvage which may be awarded is to be distributed according to the provisions of the Prize Proclamation in force at the time, unless specially apportioned by the terms of any decree or award, or otherwise to be divided among the parties actually employed, as my Lords Commissioners of the Admiralty may direct.

4. All Officers are to use their best efforts to save, and protect property and stores, especially those belonging to the Crown, which may be on board any Vessel placed in circumstances of danger or distress; and, if necessary, to remove such stores to a place of safety.

5. Commanders-in-Chief, or Senior Officers in command, are to report all cases of assistance rendered, or claims raised, o the Secretary of the Admiralty.

By Command of their Lordships,
R. Osborne.

CIRCULAR, No. 262.

Admiralty, 26th August, 1856.

(RE-ENTRY OF GREENWICH PENSIONERS FOR SERVICE IN HER MAJESTY'S SHIPS.)

Inconvenience having been occasioned in consequence of Greenwich Pensioners receiving their Pensions monthly or quarterly, in advance, and re-entering the Service prior to the expiration of the period for which they have been paid, thereby rendering it necessary, when not allowed to receive their pensions whilst serving, that the amount over-issued on account of Pension should be deducted from their Pay, my Lords Commissioners of the Admiralty are pleased to direct that all Pensioners, re-entering for Service in Her Majesty's Ships of War, be required to produce a Certificate from the Staff Officer of Pensioners of their district, showing the period to which the Pensioner has been paid, in order that the over payment, if any, may be charged against his growing wages, and reported to the Secretary of the Admiralty, that re-payments may be made to the War Department; and to prevent men, on offering themselves for entry, evading the fact of being Pensioners, the Staff Officers of Pensioners have been authorized to note on the Men's Parchment Certificates of Service the fact of their being Pensioners when the first payment of their pensions may be made to them.

By Command of their Lordships,

(STEAM POWER NOT TO BE USED BUT IN CASES OF NECESSITY.)

My Lords desire to call the attention of all Officers in command of Her Majesty's Ships to Circular, No. 177, as well as to the Orders which have been given from time to time respecting the expenditure of Coals, and to impress upon them the necessity that exists of working their ships without the aid of steam, when the duty required can and ought to be performed under sail alone—not only on the score of economy, but for the important purpose of ensuring the efficiency of screw ships as sailing ships.

My Lords are therefore pleased to direct that in future the use of steam power shall not be resorted to when the service on which a vessel is employed can be satisfactorily performed without it; and that their Lordships may know whether this order has been duly observed, all Commanding Officers are, whenever steam is raised, to cause the same to be noted in the Log Book, together with their reasons for so doing, stating whether it be the emergency of the occasion, the necessity of performing the service with the utmost despatch, or other cause which, in their opinion, may justify their having recourse to steam power.

R. Osborne.

(IMPRISONMENT BY COURT MARTIAL.)

My Lords desire me to call your attention to 16 & 17 Vic., cap. 69, sec. 15, and to point out to you that when imprisonment is inflicted by sentence of Court Martial, it is desirable that it should be stated therein that the period of imprisonment is to commence from the date of the passing of such sentence.

A copy of the 15th section of the above-mentioned Act is subjoined for your information and guidance.

In all cases in which Naval Courts Martial are or may be authorized to adjudge imprisonment, they may adjudge the same with or without Hard Labour at their discretion, and with or without any other punishment which they are competent to award; and the term of imprisonment, under sentence of such Courts Martial, shall be reckoned as commencing on the day on which the sentence was passed.

My Lords, in order to obviate complaints of men regarding their Certificates of Character, desire that in all cases the Character given to each man on his Certificate shall be read to him by the Commanding Officer.

BONDS FOR PAYMASTERS.

Admiralty, 15th January, 1857.

Considerable delay having occurred in many instances in the execution of the Bonds required to be entered into by Paymasters and Assistant Paymasters whenever appointed to the charge of Paymasters' Stores on board Her Majesty's Ships, my Lords desire particular attention to be paid to the 30th and two following Articles in Chapter 1 of the Instructions for Paymasters, and they hereby notify that, in future, a Paymaster or Assistant Paymaster, prior to obtaining an appointment to a Ship, must state, by letter addressed to the Secretary of the Admiralty ("for the Comptroller of the Victualling"), that he and his sureties are prepared to give the necessary Bond immediately.

In every case of a Paymaster or Assistant Paymaster being appointed to the charge of Paymasters' Stores Abroad, the Commander-in-Chief is, before actually conferring the appointment, to require and receive from him a Letter containing his personal Bond and proposing his Sureties, and to forward the same, together with a notification of the appointment, by the earliest conveyance for their Lordships' information.

Those Officers who may neglect to comply with these directions, or may fail to complete their Bonds, will be liable to have the residue of their Full-pay and their Half-pay withheld during their Lordships' pleasure.

PHYSICAL QUALITIES OF CONTINUOUS SERVICE MEN AND BOYS.

Admiralty, March 4, 1857.

In consequence of the size of Her Majesty's ships and their heavy armaments, my Lords Commissioners of the Admiralty consider it to be of great importance that the men entered for continuous service should be strong, able-bodied, and physically fit for the duties required of them. To ensure this object, my Lords are pleased to direct that no man be entered for continuous service unless upon a certificate from the Medical Officer of the ship for which he may desire to enter, approved by the Officer in command, stating that the man is strong, able-bodied, and in all respects physically fit for Her Majesty's Service.

A similar certificate is to be required in the case of boys before they are rated seamen for continuous service.

My Lords desire also to call attention to the provisions of Circular No. 121, of 14th June, 1853, under the head of "Discharge of ineligible Boys." The directions therein contained are to be rigidly adhered to, and all boys unfit for the service are to be discharged.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships.

CIRCULAR, No. 292.

Admiralty, March 18th, 1857.

(OFFICERS' FULL PAY BILLS.)

The Lords Commissioners of the Admiralty having determined to discontinue the present mode of paying the Officers of Her Majesty's Fleet by Bills of Exchange drawn by themselves on the Accountant-General of the Navy, and to substitute for it a periodical payment by the Paymaster of each Ship, I am commanded to make the same known for the general information of the Service.

My Lords desire me to call attention to the advantages that will result to the Officers from this change, which will have the effect of protecting them from loss, whether by discount or by exchange—it will relieve them from all trouble and uncertainty as to the negotiation of their Bills—it will ensure prompt and regular payment wheresoever the Ship may be, and it will protect the Officers from the inconvenience to which they are sometimes exposed by their bills being purloined or mislaid.

It is their Lordships' desire, in making this arrangement, that every Officer in the Fleet shall enjoy as much facility in receiving or remitting his pay as possible, and therefore they wish it to be understood, by Officers of all ranks, that at the time of payment they are at liberty to receive the whole or a part of their pay in cash, or to remit the whole, or any portion of the net sum they are entitled to receive, to whomsoever they please.

The accompanying forms and regulations for carrying this measure into effect, are to be carefully and punctually observed, and they are to come into operation on board Her Majesty's Ships at Home at the end of the quarter (30th June, 1857), commencing on the 1st April next. In ships on Foreign Stations they are to take effect at the end of the quarter in which they may be received, and the commencement of this new system in such ships is to be reported for their Lordships' information.

All the existing forms of bills for drawing the full pay of Naval Officers of every rank, and those for drawing Marine Officers' pay, are to be forthwith returned to the Storekeeper-General of the Navy, in order that they may be cancelled.

By Command of their Lordships,
R. OSBORNE.

To all Commanders-in-Chief, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

Instructions for Preparing this Account.

1st.—The Officers' names are to be entered according to their rank, and not in the order in which they appear on the Ship's Books, so that each class of Officers may appear consecutively on the list.

2nd.—Care is to be taken that *all* the charges incurred within the period for which the account is made up, be deducted from the Officer's pay, and that no deductions either of a prior or subsequent date, be included.

3rd.—The vacant spaces under the head of Deductions, are to be filled in with the words Clothing, Subscriptions, Per Centage on Cabin Furniture, &c., so as to describe the nature of the charge for which the deduction is made.

4th.—The columns of Gross Amount of pay, of Income Tax, and of Total Deductions, are to be totalled as well as those for "Net Sum Payable," and "Amount paid by the Paymaster."

5th.—Should there be no objection to the payment, the authority for payment is to be modified accordingly, by excepting the Officer against whom such objection exists, and the case is to be immediately reported to their Lordships.

6th.—Payment is to be made in the presence of the Captain, who is to attest the account, stating in words the total sum actually paid.

(REGULATIONS FOR THE PAYMENT OF FULL PAY TO OFFICERS OF ALL RANKS IN HER MAJESTY'S NAVY AND MARINES.)

1.—The existing system of drawing Bills on the Accountant-General of the Navy for the Full Pay of Officers of the Navy and Marines, is to be discontinued.

2.—On the last day of every quarter, an account is to be prepared in duplicate, according to the annexed Form, showing the amount of Full Pay to which each Officer is entitled, and the deductions therefrom to which he may be liable, the net balance due to him, the amount he desires to remit, and the sum paid to him by the Paymaster; both copies are to be signed as originals, and one of them is to be retained on board the ship. Should any of the Officers be absent at the time of payment, their names are nevertheless to be included in the account, with a notation of the cause of their absence, and that they have not been paid.

3.—This account is to be divided into two parts for Naval Officers, one for the "Commissioned Officers," the other for the "Assistant Engineers, Warrant, and Subordinate Officers," and a separate account for Marine Officers.

4.—The account being prepared according to the directions printed on the Form, is to be carefully examined with the Ship's Books and Accounts by the Paymaster, and his Assistant, or, where there is no Assistant Paymaster, by the Paymaster and the Master, who are to sign a certificate of such examination. In small vessels not bearing a Paymaster, the account is to be examined and certified by the Assistant Paymaster and the Master or Second Master.

5.—As it can scarcely ever be necessary to prepare these accounts in a hurried manner, the Paymaster will be held responsible for the correctness of all the particulars inserted therein, the accounts are to be made up gradually and deliberately, so as to require but a small amount of labour to complete them at the end of a quarter.

6.—The Captain will, if he sees no objection, authorize the Paymaster to procure money and make the payments; if however he has an objection to the payment of any of the Officers, he will qualify his authority on the account accordingly, reporting his reasons for objecting to their Lordships for their decision.

7.—Whenever the ship shall be at a port where there is an Admiralty Accountant, the Paymaster is to procure the money from the proper Officer, otherwise by requisition on the Commissariat Chest. If neither of these means are available, then he is to draw the money by Bill of Exchange on the Accountant-General of the Navy, according to the Regulations of the Service.

8.—Payment is to be made in British coin, where it is procurable and current; if British money cannot be made use of, then payment is to be made in foreign coins at the fixed official rates.

9.—Every Officer may remit at the time of payment either the whole or a portion of the net amount he is entitled to receive; such remittances need not be in even money, nor are they limited in amount, so long as they are within the net sum payable to the Officer.

10.—Lists of these remittances are to be prepared for each account a day or two before the day of payment, in order that the Paymaster may be enabled to regulate his requisition for money accordingly.

11.—The remittance lists are to be transmitted to the Accountant-General of the Navy by the *very first* opportunity, to enable that officer to prepare and despatch the remittance Bills for payment.

12.—The quarterly accounts of Full Pay should, if ready, accompany the remittance lists; if not, they should be transmitted with the Paymaster's cash account for the month in which the payment took place, which, in every possible case, should be the last day of the quarter.

13.—Whenever an Officer is discharged *from one ship to another*, he is to be furnished with a certificate signed by the Captain and Paymaster of the ship he is discharged from, showing the date up to which he was last paid, and the nature and amount of the charges incurred by him since the last payment, in order that he may receive his pay on board the ship he is discharged into.

14.—Whenever an Officer is sent to Hospital or Sick Quarters, he may be paid the amount due to him up to the day he is sent sick (such payment to be entered in the Quarterly Account), and furnished with a certificate of the date to which he has been paid. If a further payment should become due while the Officer remains at sick quarters, he may be paid by the Agent under the approval of the Superintendent or Medical Officer in charge, who is to report such payment to the Admiralty by the first opportunity, and grant a certificate to the Officer of the time up to which he has been paid.

15.—Officers discharged to Half Pay are on no account to be paid by the Paymaster up to the date of discharge; they are to be furnished with the usual Pay Documents, in order that their accounts may be adjusted at this Office.

16.—Officers employed on detached duty, at a distance from the ships they belong to, are, on leaving the ship, to be furnished with the certificate mentioned in Article 13, by which means they may be paid by the Paymaster of any of Her Majesty's ships present, on producing such certificate to the Captain, who will give the necessary authority to the Paymaster, and acquaint the Captain of the ship to which the Officer belongs, in order that the necessary notation may be made on her books. He will also give a certificate to the Officer paid.

17.—Surgeons-Superintendents of Convict Ships, and other Officers not borne on any ship's books, but who are entitled to Full Pay, or such Officers referred to in the foregoing Article as may be in charge of Prizes, or employed on other detached service, when no such certificate can be obtained, are to draw bills quarterly for the amount due to them, in the common bill form, advising the Accountant-General of the Navy of every such bill.

18.—Officers entitled to allowances in addition to their usual pay, whether for Table Money, Surveying Duties, or on any other account, are to be paid the same not oftener than once a quarter, upon a separate account or statement, showing the nature of the allowances and every other necessary particular, but they are not to draw bills for such allowances in future.

19.—Nothing herein contained is to justify the payment of Half Pay under any circumstances whatever, without special directions.

SEA-TIME TO AGENTS OF TRANSPORTS.

At the Court at Buckingham Palace, The 24th day of June, 1857.

(Present, the Queen's Most Excellent Majesty in Council).

WHEREAS there was this day read at the Board a Memorial of the Right Honourable the Lords Commissioners of the Admiralty, dated the 24th of this instant June, in the words following, viz.:—

"Whereas we are of opinion, that it would be desirable, for the benefit of Your Majesty's Naval Service, to hold out every encouragement to Commanders, Lieutenants, and Masters holding the appointment of Agent for Transports; and as these Officers are under existing Orders in Council, denied Sea-Time whilst serving in this capacity, which operates to their disadvantage in regard to Promotion and the increase of Half-Pay. We would, in all humility, recommend to your Majesty, that Commanders, Lieutenants, and Masters who may now be serving, and who for the future may be employed as Agents of Transports, shall be allowed to reckon such service as Sea-Time."

Her Majesty having taken the said Memorial into consideration was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Stamp Duty on Commissions, &c.)

Admiralty, 12th December, 1857.

My Lords having had under their consideration the inconvenience which has hitherto attended the collection of the Stamp Duty on Commissions and Appointments, required to be paid under the Act 55 Geo. III., cap. 184, are pleased to direct that, on and after the 1st of January, 1858, the Commission or Appointment be forwarded to the Officer, if on Full Pay, under cover to the commanding Officer of the Ship or Vessel to which he has been appointed.

On the receipt of such Commission, or Appointment on board, the Paymaster of the Ship is to note against the Officer's name on the Ship's Books the value of the Stamp Duty with which he is chargeable, as shown upon the instrument in question, which sum is to be abated from the next payment due to the Officer, and inserted in the Quarterly Pay Account of the Ship.

The Stamp Duty is only to be recovered by deductions from Pay, and is not to be received in Cash by the Paymaster, otherwise the Officer will be liable to a double payment.

Officers upon Half Pay are to require the persons who pay them to stop the amount of the Stamp Duty; or if paid by Bill upon Her Majesty's Paymaster-General, it is to be abated on the face of the Bill, and the net amount only is to be drawn for.

No further payments on account of the Stamp Duty are to be made to the Chief Clerk of this Office after the 31st of this month.

By Command of their Lordships,

DUTIES OF OFFICER IN CHARGE OF THE WATCH.

The attention of my Lords Commissioners of the Admiralty having been called to minutes of several Courts Martial, at which it has appeared, in evidence, that officers in charge of the deck when ships have been run on shore, have been ignorant of the neighbourhood of the land, and of the nature of the navigation in which the ships were situated at the time of such accidents, their Lordships are pleased to direct that the following instructions shall be substituted for Art. 2, chap. 6, at p. 202 of the Admiralty Instructions for Lieutenants, and for Art. 1, chap 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains.

(To be substituted for Art. 2, chap. 6, at p. 202 of Admiralty Instructions for Lieutenants.)

"On taking charge of a watch he is to make himself acquainted, as far as is practicable, with the supposed position of the ship, especially when approaching land, or in pilot water, and whether he may be likely to see any and what land or lights; he should also acquire any other information in his power, which may assist him in keeping the ship out of danger so long as he is in charge of the deck, and he is to be constantly on deck, until relieved by the officer who is to

succeed him. He is to see that the men are alert and attentive to their duty; that every necessary precaution is taken to prevent accident from squalls or sudden gusts of wind; and that the ship is as perfectly prepared for battle as circumstances will admit. He is to be particularly careful that the ship be properly steered, and that a correct account be kept of her way by the log being duly hove, and by the lee-way for each hour being marked on the log board, on which is also to be marked every occurrence worthy of notice, and any accident that may have occasioned the loss of any of her stores; and he is also to see that all signals made in the fleet are correctly minuted on the log board in such manner as the Captain shall direct; and he is, at the end of his watch, to sign the log board and the report of signals (if such be kept separately) with the initials of his name; and when the occurrences of the day have been entered in the log book he is to sign that also with the initials of his name, at the end of each watch which he kept."

(To be substituted for Art. 2, chap. 5, sec. 4, at p. 105 of the Admiralty Instructions for Captains.

"When a ship is in pilot water, or in the vicinity of land, or rocks, or shoals, the Captain is always to take particular care, whether the Master or Pilot think it necessary or not, that the hand lead be kept constantly going, not only with a view of obtaining soundings, when they may be expected as a guide for conducting the ship, but also as a precaution against any mistakes of the pilot, or any irregularities of the tides; and it is to be kept going even in the most frequented channels, and the Captain is at all times to take care that the officer in charge of the deck shall pay particular attention to Article 2, chap. 6, of the Instructions for Lieutenants.

"If it shall appear that the ship has been run on shore, or brought into danger of being run on shore or wrecked, and that this order has been disobeyed, the Captain will be held responsible for the same; and in the event of the ship touching the ground, he is to transmit a statement of the whole circumstances of her getting ashore, with every particular as to the situation, and probable cause thereof, and the extent of damage the ship may have sustained."

DUPLICATE MEDALS AND CLASPS.

My Lords Commissioners of the Admiralty have been pleased to approve of the following regulations respecting the issue of Duplicate Medals and Clasps for the undermentioned services, to replace those lost or stolen, viz.:—

Medals for the Campaign in the Crimea.
" " Baltic.
Clasps .. Sebastopol.
" .. Inkerman.
" .. Balaklava.
" .. Azoff.

Duplicate Medals and Clasps will be issued to those *only* who have *not* left the Naval or Marine Service, or to Pensioners, or to persons who, after having left the Navy, joined, and are still serving in the Army.

In cases of the loss having been sustained by officers and men *in the performance of their duties*, in the strictest sense of the term, the loss will be made good free of charge, provided satisfactory evidence is produced that the loss occurred under circumstances beyond their control; but in cases of loss while they were not on duty, the loss can only be replaced on payment of the price of the Medal or Clasp.

A Medal or Clasp cannot be replaced if the original was lost through negligence or misconduct.

A claim cannot be entertained beyond two years after the loss occurred.

Every application, accompanied by a certificate in the annexed form, must be made through the Commander of the Ship on board of which the applicant is serving, the Colonel Commandant of the Division of Royal Marines to which he belongs, or, in the case of a Pensioner, by the Staff Officer of the District in which he resides; and in such certificate must be stated the description of Medal or Clasp lost, the name of the ship for which it was awarded, and whether or not the applicant was, at the time of the loss, in the execution of his public duty.

As the Duplicate Medal or Clasp will be issued on these Certificates only, great caution should be used in granting them, as the Commanding Officers will be held responsible that duplicates are not obtained improperly.

Form of Certificate.

I hereby certify that has this day appeared before me, and stated that he has lost which was issued to him for his services on board Her Majesty's Ship , that I have caused the case to be thoroughly investigated, and from the evidence produced I am satisfied that the loss was sustained under circumstances beyond his control, and not through any misconduct or negligence on his part; further, that at the time he was * in the execution of his public duty.

SEAMANSHIP EXAMINATION FOR THE RANK OF LIEUTENANT.

In order that there shall be an unvarying strictness and impartiality in the final examination in Seamanship of Midshipmen and Acting Mates, and that such examination shall be conducted so as to ensure the object for which it was intended, the Lords Commissioners of the Admiralty direct that, for the future, a *final* examination in Seamanship, of all officers for the rank of Lieutenants, shall take place at Portsmouth, and that if possible it shall be held on board Her Majesty's ship "Illustrious," or the training Ship for the time being.

It is not their Lordships' intention to interfere in any way with the Provisional examinations in Seamanship *abroad* of Midshipmen, as required by Circular No. 288, paragraph 15, as their Seniority will be reckoned from the date of the Provisional Passing, subject to the Regulations in the above quoted Circular.

The examination in Seamanship at Portsmouth will take place on the Wednesday in each week, and Midshipmen, who shall have passed provisionally abroad, must, with the approval of the Commander-in-Chief, or the Senior Officer at the Port at which they may have arrived, present themselves on the Second Wednesday after their arrival in England, or, if in a Ship under orders to be paid off, on the second Wednesday after having been so paid off. Their Lordships, by instituting this final examination in seamanship at home, do not intend to sanction any extension of time, beyond that allowed by existing regulations, to Officers passing in Gunnery, and at the Royal Naval College, to enable them to obtain confirmation as Mate from the date of their first certificate.

In the event of a Candidate not appearing on the second passing-day, such non-appearance will be considered as a rejection; and, in like manner, should he not appear on the third and fourth passing-days. Should he fail to appear on any of those days, he will not be allowed to pass without previous reference to the Commander-in-Chief.

Should sickness, or any other sufficient cause, prevent his appearance on any of the three above-mentioned days, he must bring with him a certificate to that effect from the Captain of his Ship.

Should a Midshipman be serving in a ship in England at the time when he has completed the sea-service required to qualify him for the rank of Lieutenant, he will be expected to present himself on the second, third, or fourth passing-day after the expiration of his time.

In the event of an Officer being rejected for a certain period, he will be appointed to a sea-going ship, in order that he may pass his time as much as possible at sea, and he will at once be discharged to the Flag-ship to wait a passage.

Officers who may proceed to Portsmouth for the purpose of passing their final examination in Seamanship, including Midshipmen who may have completed the regulated period of service at sea, will be received into the Royal Naval College under the same regulations, and with the same advantages, as are provided for in the case of Acting Lieutenants and Acting Mates, by Circular 324.

Acting Masters and Second Masters will in future be required to pass a final examination in Seamanship at Portsmouth, under the same regulations as are herein laid down for the passing of Acting Mates and Midshipmen, and they will be borne as Supernumeraries on the books of the Flag-ship during their stay at Portsmouth for that purpose.

The Captain of the Training-ship at Portsmouth is, whenever possible, to be one of the Examining Officers.

Admiralty, 24th September, 1856.

IRREGULAR RATINGS ALLOTTED TO CONTINUOUS SERVICE MEN.

Numerous instances having occurred in which men and boys who have been entered for Continuous Service have been rated as Cooks, Stewards, Ships' Steward's Boys, &c., for which their engagements for Continuous Service disqualify them,—such practice being in violation of the Regulations laid down in Circular No. 121, dated 14th June 1853,—my Lords Commissioners of the Admiralty desire that whenever it may be absolutely necessary on Foreign Stations to place Continuous Service men in Ratings which by the Regulations they are prohibited from holding, such men shall be allowed only *temporarily* to do the duty so assigned to them; and Commanding Officers are hereby required to use their best endeavours to procure Non-Continuous Service Men for the Ratings in question.

At the end of each Quarter a special Return is to be forwarded of all Continuous Service Men who may be serving in Irregular Ratings, with a statement of the date of their entry in such Ratings and the reasons in each case for the Ratings having been given.

Continuous Service Men who may be thus temporarily rated will be allowed to count the time so served as part of their Continuous Service.

By command of their Lordships,
H. CORRY.

Referring to the Circular Order, No. 338, of 23rd September last, my Lords Commissioners of the Admiralty desire it to be understood that the requirements of a final Examination in Seamanship in England shall *not* apply to such Midshipmen, Acting Mates, Acting Lieutenants, Acting Masters, Second Masters, and Master's Assistants, whose Provisional Examination in Seamanship shall have taken place prior to the date of the Circular in question.

ACTING MASTERS, &c.—PREPARATION FOR PASSING IN NAVIGATION.

With reference to Circular No. 324, which directs that Acting Lieutenants and Acting Mates shall be received in the Royal Naval College whilst preparing to pass their final examination: Their Lordships are pleased to direct that Acting Masters, Acting Second Masters, and Masters' Assistants shall, on their arrival in England, after passing in Seamanship, be received on board the Flag-ship at Portsmouth, as supernumeraries for victuals only, for the purpose of studying under the Naval Instructor of that ship, on the production of their Passing Certificates in Seamanship.

2. The Officers thus received in the Flag-ship will be permitted to remain, until the *second* examination day at the College after they shall have joined the Flag-ship (provided they shall have lost no time in joining, after their arrival in England or being paid off); after which, if they shall have failed to present themselves for examination, or have been rejected, they will be discharged to the ship to which they may belong, or to the shore.

8. An officer who shall have been thus discharged, after failing to pass on the second examination day, will not be allowed to present himself again, for his *final* trial, until after the expiration of three months from the date of such examination day, and should he then pass, his seniority will date nine months subsequently to the day when he passed in Seamanship, provided he shall afterwards pass, within the regulated period, at the Trinity House.

4. The date of each officer's reception in the "Victory" is to be noted on the Certificate of his having passed at the College, as well as the date of his arrival in England, or of his being paid off.

PADDLE WHEELS.

PRECAUTIONS TO BE TAKEN AGAINST ACCIDENTS WHEN MEN ARE IN THEM.

Accidents of a serious and even fatal character having sometimes occurred on board Her Majesty's Steam-Ships and Vessels, by the Paddle Wheels being turned when men are in them, my Lords Commissioners of the Admiralty are pleased to issue directions, with the view of effectually guarding against such accidents in future, that men are on no account to be permitted to go into, or remain in, the Paddle Wheels, except when they are effectually secured by a bar being passed through them, by a secure lashing, or by some other simple mode, the efficiency of which can be judged of by any Seaman.

NON-ENTRY OF MEN IN THE NAVY BELONGING TO ANY BRANCH OF THE ARMY, &c.

My Lords Commissioners of the Admiralty being desirous of preventing, as far as possible, the entry in the Navy of men who may already belong to any branch of the Army, it is hereby directed that whenever Seamen or Boys above 17 years of age are entered on board any of Her Majesty's ships from the shore, or at any naval Rendezvous, the following questions are to be put to them in order to ascertain, distinctly, that they have not previously enlisted in the Army or in the Militia:—

1st. Have you ever served in the Army, Marines, Ordnance, Militia, or in the forces of the East India Company?

¶ If the Seaman volunteering to enter should state that he has so served, he is to be required to state also the particulars of his former service, and the cause of his discharge, and to produce the certificate of his discharge, if he has it with him.

2nd. Do you now belong to the Militia, or to any Regiment or Corps in Her Majesty's Army, or to the Naval Coast Volunteers?

¶ In putting the second question to the Seaman or Boy, and before his answer is received, the officer is distinctly to apprize him, that if he belongs to the Militia and denies the fact, he is liable to forfeit one penny a day of his pay for eighteen months, if attested; and to fourteen days imprisonment if not attested.

3rd. Have you ever been rejected as unfit for Her Majesty's Service, or for the service of the East India Company?

With reference to Chapter III., Article 15, of Her Majesty's Regulations, which renders four years' service as Surgeon on board a commissioned ship necessary as a qualification for the rank of Medical Inspector of Hospitals and Fleets, or of Deputy Medical Inspector of Hospitals and Fleets, Her Majesty has been graciously pleased, by Her Order in Council of the 13th instant, to direct that valuable service on shore, at home, or abroad, should also be allowed in special cases to count as time for rendering a Surgeon eligible for the before-mentioned ranks; and my Lords Commissioners of the Admiralty hereby make known the same for the information and guidance of all whom it may concern.

CAUTION RESPECTING SOUNDINGS WHEN IN THE VICINITY OF LAND

Admiralty, 15th December, 1856.

Several cases having recently occurred, in which Her Majesty's Ships, and especially Steam Vessels, have been run aground, when, by proper observance of the Admiralty Instructions respecting Sounding, such accidents would most probably have been avoided, the Lords Commissioners of the Admiralty hereby direct the attention of all Captains, Commanders and Officers, in Command of Her Majesty's Ships and Vessels, to Art. 1., Section IV., Chapter 5, at Page 105, of the said printed Instructions, which Article states that "When a ship is in pilot water, or in the vicinity of land, or rocks, or shoals, the Captain is always to take particular care that the hand lead be kept constantly going."

And on this Instruction, my Lords would further observe that it is not sufficient under such circumstances to place a leadsman in the chains and to keep the lead going, but that at the same time the rate of the ship should be reduced (in any case of doubt) to such a speed as shall ensure the leadsman getting correct soundings at every cast of the lead; and all Captains and Commanding Officers are cautioned that, in case of a vessel going on shore, this is a point which will be strictly inquired into.

PAY AND ALLOTMENTS OF DISPOSABLE SUPERNUMERARIES ON BOARD HER MAJESTY'S SHIPS.

Admiralty, 23 December, 1856.

1. My Lords Commissioners of the Admiralty having had under consideration the present position of men borne on the books of Her Majesty's ships as Supernumeraries for Victuals only, disposable for General Service, and frequently for lengthened periods, to be discharged into other ships with original entry and charges, instead of being paid in the ships in which they have served as Supernumeraries; and their Lordships being desirous of affording to such men every facility for making Allotments, and thus providing for the support of their families, are pleased to direct that in future all such men shall be borne as Supernumeraries for Wages and Victuals, and that they be permitted to allot, and to receive their Wages, in the same manner as if they formed part of the ship's complement.

2. My Lords further direct, that whenever such men shall be discharged, they shall be paid their Wages by Ticket or Pay List, as the case may require, for the time they have been borne as Supernumeraries, and that their Allotments be transferred with them; or the men may reallot immediately, if necessary, so that there shall be no break in the Allotment payable.

3. By these means the practice of discharging men with original entry and charges will cease, and the date of every man's entry on board the ship he is discharged into will be that of his appearance on board.

4. In flag-ships where the books and accounts are kept under the new system, and in other ships where there are many Supernumeraries, an additional Record Book is to be opened in lieu of List 14, to contain the names of all Supernumeraries (except those borne permanently for special duties, or as crews of tenders, whose names must be entered on the ordinary Record Book for the ship's complement); and a separate Pay Book and Charge List, and the necessary documents connected therewith, to correspond with the additional Record Book, is to be prepared and transmitted at the same time with the ship's Pay Book. In those ships where an additional Record Book is not required, such Supernumeraries are to be entered on List No. 14.

5. In ships whose books and accounts are still kept on the old system, all such men are to be borne as Supernumeraries for Wages and Victuals, and their names must be inserted in the ship's Complete Book and in the Pay Book.

6. These Regulations are not to apply to men who are merely lent from one ship to another, and consequently only checked on their own ship's Books.

7. My Lords are pleased to order that these Regulations

shall take effect from the 1st January, 1859, or from the earliest date possible after the receipt of this circular.

By Command of their Lordships,

H. Corry.

At the Court at Windsor, the 11th day of January, 1859.

(Present, the Queen's Most Excellent Majesty in Council).

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated 30th November 1858, in the words following, viz. :—

"Whereas by the Regulations of the government of your Majesty's Naval Service, cap. 3, article 6, page 24, we are empowered in cases of distinguished conduct to confer the rank of Lieutenant on Masters of your Majesty's Navy, and being of opinion that it would tend to the advantage of the Naval Service if the same boon were to be extended in particular and deserving instances to the Second Masters of your Majesty's Fleet, we would humbly propose that in future we be empowered by your Majesty to promote a Second Master to the rank of Lieutenant, in cases in which he has performed, while in the execution of his duty, such special and brilliant service as in our opinion may entitle him to the boon. We would further humbly suggest that, before a Second Master be considered eligible to be promoted, he shall be required to have served at Sea for seven years, but that there shall be no necessity for his having been rated as Midshipman during any of that period, as required in ordinary cases of advancement to the rank of Lieutenant."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

MACHINERY, EXAMINATION OF, ON AND AFTER CHANGE OF ENGINEER.

Engines and boilers having, in some instances, been found to be in a worse condition than would appear to be consistent with proper care, and difficulty having been experienced in determining on whom the blame ought to rest, whether on the Engineer in charge, or one or more of his predecessors, the attention of all Officers commanding Steam Vessels is to be called to Article I. chap. 16, page 350, of the Admiralty Instructions, which provides that "The First Engineer is, when first appointed to a Steam Vessel, very carefully to examine the engines, paddle-wheels, and boilers, and if he discovers any defects in them, he is to report the same to his Commanding Officer," and their Lordships direct that in future a report of the examination be invariably made, and transmitted for the information of their Lordships. In the event of circumstances rendering it impracticable to make the examination at the time the Engineer is placed in charge, a report is to be made to that effect; but the regulation is to be complied with as soon as the exigencies of the Service will admit.

Their Lordships are further pleased to direct that, in future, the Commanding Officers of all Steam Vessels shall cause a careful examination of the machinery and boilers to be made at intervals of not more than one year: and that a special report be made as to the results for the information of their Lordships.

EXEMPTION OF ROMAN CATHOLICS FROM ATTENDANCE AT DIVINE SERVICE ON BOARD HER MAJESTY'S SHIPS.

With reference to Art. 1, sec. 2, Chap. V. page 89, of the Admiralty Instructions, which provides for the performance of Divine Service on board Her Majesty's ships, my Lords are pleased to direct that Roman Catholics, who may entertain religious scruples in joining in the services of the Church of England, shall have full liberty to absent themselves from such services; as, however, it is indispensable that there should be perfect order and silence throughout the ship during the celebration of Divine Service, all Roman Catholics, who have scruples with regard to attending, are to remain in their berths, or such other place as the Commanding Officer may appoint.

Commanding Officers are to take the utmost care to prevent any unseemly interruption to Divine Service, and they are to make such arrangements as will guard against the Roman Catholics being assembled in any place which might give them the appearance of forming, by compulsion, a part of the congregation.

Every respect which may be consistent with discipline, the usages of the service, and the reverent performance of Divine Service according to the Liturgy of the Church of England, is to be shown to the religious scruples of the Roman Catholics.

(EXTRA PAY TO BE PAID IN HER MAJESTY'S SHIPS AT HOME AND ABROAD.)

Admiralty, 3rd March, 1859.

My Lords Commissioners of the Admiralty have been pleased to establish the following General Regulations respecting Extra Pay, in order that the principles laid down in the Queen's Regulations may be more rigidly observed in Sea-going Ships and Flag Ships, and for the future guidance of the Superintendents of Her Majesty's Dockyards.

Extra Pay to persons belonging to Sea-going Ships and Flag Ships.

1st. The following scale of Extra Pay, authorized by the Queen's Regulations, Chapter X., § IV., Art. 1, page 104, is to be considered applicable to all Sea-going Ship and to the Flag Ship at each of the Home Ports, viz. :—

	Per diem. s. d.
Lieutenants in the Navy, Captains of Marines, Masters, and Chief Engineers	3 0
Other Officers ranking with Lieutenants of the Navy, and Lieutenants of Marines	2 6
Mates and other Officers ranking with them, including Engineers qualified for Charge and Assistant Engineers	2 0
Subordinate and Warrant Officers	1 6
First Class Petty Officers, Serjeants of Marines, and all Artificers	1 3
Second Class Petty Officers, Corporals of Marines, Seamen, and others	1 0
Private Marines and Second Class Ordinary Seamen	0 9
Boys	0 3

Men employed as Artificers, whether borne on the Ships' Books as such or not, are to be paid as Artificers; and it is to be stated on the Pay Lists, under their Ratings, when men have been so employed and paid.

2nd. Extra Pay is not to be granted for works executed on board the Ships to which the persons employed belong, nor on board the Ships' Tenders, nor for assisting to navigate other Ships in Commission.

3rd. Special attention is directed to Article 2, page 105, of the Queen's Regulations, and to Article 42, page 80, of the Admiralty Instructions, forbidding the employment of officers and men on Extra Pay, except in extreme cases, in which it may be essentially necessary for the good of the Public Service. This Regulation, therefore, does not warrant Extra Pay for common occasional services, as for assistance of boats to water a ship, or to tow a ship, or to take off stores, and such like temporary occurrences continually happening, but is meant to apply to cases where heavy work in Dockyards, of loading and unloading Ships, or in fitting out other ships of war, &c., are required with particular expedition. It is therefore left to the discretion of the Commander-in-Chief or Senior Officer to decide, on the spot, how far the Service required may, with reference to its urgency and continuance, or to any extra wear of Clothing likely to arise from its performance, render it proper to authorise such

extra charge; and the reasons for so authorizing it must be specified in each order for Extra Pay.

4th. In accordance with the regulations in the preceding article, not only the nature of the work performed, but the grounds on which it has been authorized to be paid for as an *Extra Duty*, are invariably to be stated on the Pay Lists. These lists are to be made out in Duplicate; one to accompany the Paymaster's Monthly Cash Account, the other to be retained by him, in case the Original might be lost.

5th. In all cases separate Pay Lists are to be made out for persons belonging to different Ships, and the payments are to be made thereon by the Paymasters of the Ships to which the persons belong, and not by other Paymasters, or Naval Accountants on shore, unless in exceptional circumstances, to be clearly explained on the Pay Lists.

6th. When Working Parties are employed on mixed services at Foreign Yards, such as clearing Transports, &c., the expense incurred on each Service should be distinguished as far as possible, stating the Names of the Vessels for which the service has been performed, in order that such expense may be recovered from the owners, when the Vessel does not belong to the Royal Navy.

Extra Pay to persons belonging to the Guard Ships of the Steam and Sailing Ordinaries, for work on board Ships in Ordinary and not in Commission, and in the Dockyards, &c.

7th. It being part of the regular duty of the crews of the Steam and Sailing Ordinary Guard Ships to perform various services in Ships belonging to the Ordinary, or not yet Commissioned, and in the Dockyards, such Services are not to be regarded as *Extra Duty*, entitling to Extra Pay; but my Lords are pleased to direct, that when such work involves Extra wear and tear of Clothing, the following rates of Extra Pay are to be allowed to the persons so employed, viz.:—

	Per diem. s. d.
To Warrant Officers (when employed specially with working parties, and not on board the Ships to which they are properly attached) .	1 0
To Working Petty Officers, Seamen, and others	0 6
Also to Seamen in Coal Depôts, when employed in coaling ships or receiving coal	0 6

8th. It is to be stated upon the Pay Lists on which such Extra Pay is paid, that the work performed was of such a nature as to entitle the working parties to be paid under the above regulation.

9th. When persons belonging to Steam or Sailing Ordinary Guard Ships are employed upon work on board Ships in Commission, they are to be allowed Extra Pay only at the rates stated in Regulation 7, whether associated with other men or not; unless when employed considerably beyond the regulated working hours, in which case they are to be allowed Extra Pay at the rates authorised by the Queen's Regulations and Article 1 of this Circular. In all such cases the reason for their being paid at the higher rates is to be stated on the Pay Lists.

Extra Pay for navigating Ships in Ordinary from Port to Port, &c.

10th. Extra Pay, at the rates authorised by the Queen's Regulations and Article 1 hereof, is to be allowed to Parties detached to navigate Ships not in Commission from one Port to another, and is to be paid from the day the Parties leave their own Ship till they return. But when Vessels not in Commission are appropriated for special services, as in Conveying Machinery between the Ports or otherwise, the officers and men wholly lent and employed in such services are to receive Extra Pay at the above rates for the first Fourteen Days only; after which, they are to be entitled to Extra Pay only when actually employed in loading and unloading machinery, or on such other work as would usually entitle the persons so lent to Extra Pay, if they formed part of the crews of other Sea-going Ships.

By Command of their Lordships,

H. Corry.

To all Commanders-in-Chief, &c.

(PROMOTION OF ENGINEERS.)

Admiralty, 21st March, 1859.

My Lords Commissioners of the Admiralty have been pleased to direct that, in future, no Engineer shall be promoted to a rank or class for which he has not passed at least a provisional examination, at the date of such promotion: and the following regulations have been established for the examination of Assistant Engineers, who may be serving abroad, for the rank of Chief Engineer:—

First Class Assistant Engineers who have completed three years' service at sea in that rank, and who are desirous of passing for Chief Engineers, may be examined by an Inspector of Machinery Afloat, or, in the event of there being no officer of that rank on the Station, then by two Chief Engineers; the examination in either case to be conducted in the presence of a Captain or Commander.

An Officer on passing this examination will be eligible for an appointment as "Acting Chief Engineer," but will not be eligible for confirmation to that rank, until he shall have passed the established examination before the Chief Engineer and Inspector of Steam Machinery at the Admiralty.

(SEAMEN GUNNERS' PAY AND PENSION).

Admiralty, 13th April, 1859.

As an additional inducement for the best and most intelligent Petty Officers and Able Seamen of the fleet to join the Gunnery Ships and to qualify themselves as Seamen Gunners; My Lords Commissioners of the Admiralty are pleased to direct that the Extra Pay of Seamen Gunners be increased from this date as follows, viz.:—

Extra Pay to Seamen Gunners of the 1st Class to be increased from 2d. to 4d. per diem.

Extra Pay to Seamen Gunners of the 2nd Class to be increased from 1d. to 2d. per diem.

They further direct, that all men who, after this date, qualify themselves for Seamen Gunners, or abroad as Acting Seamen Gunners, shall be allowed to reckon (from the date of such qualification, and whilst serving as Seamen Gunners or Acting Seamen Gunners), time in the proportion of six years for every five they have served towards a long service pension. Fractional parts to be allowed for broken time in the same proportion. The same advantage to be allowed from this date to Seamen Gunners or Acting Seamen Gunners now serving; provided in the case of Acting Seamen Gunners that they are confirmed as Seamen Gunners on their return to England.

(PAYMENT OF MONTHLY ALLOWANCE MONEY TO MEN NEWLY ENTERED FROM THE SHORE).

My Lords Commissioners of the Admiralty having had under consideration the existing regulations under which Monthly Allowance money is paid to the Crews of Her Majesty's Ships, and being desirous of giving to all men who enter Her Majesty's Navy an earlier opportunity of receiving a portion of their wages, so as to enable them to provide themselves with necessaries, and to contribute to the support of their families and relatives without incurring debts; I am commanded by my Lords to signify their direction, that henceforth every man newly entered from the shore who does not prefer to await the payment of Advance of Wages, may receive the proportion of Monthly Allowance Money to which his rating entitles him, immediately after the expiration of the first month from the date of his entry, instead of being obliged to wait six months as required by the instructions now in force, and that a similar payment be made to him at the end of every succeeding month.

In cases of men incurring heavy charges for desertion or straggling, the Captain of the ship may withhold the payment of this Monthly Allowance Money until the state of the men's accounts will admit of their receiving it, without bringing them two months' pay into debt. As the men will thus early be placed in possession of a portion of their wages, which will probably amount to as much or more than the sum they would be entitled to as Advance before the ship they belong to proceeds to sea, my Lords further direct that such men as may receive *this prompt payment* of Monthly Allowance Money shall not be paid Advance, but they may elect either to be paid the Monthly Allowance Money, or to forego it in consideration of their being paid the usual Advance *before* the ship proceeds to sea.

By Command of their Lordships,

H. Corry.

REGULATIONS RESPECTING OFFICERS' MESSES.

Admiralty, 21st April, 1859.

The Lords Commissioners of the Admiralty having had under their consideration the several regulations now in force respecting Officers' Messes in Her Majesty's Ships and Vessels, are pleased to direct as follows:—

The Commanding Officer is to take measures to prevent the officers from indulging in an extravagant mode of living in their messes, as the prevalence of such a practice is detrimental to the discipline of the service, and must, moreover, press hardly on those individuals who have

little or no means beyond their pay, and be is therefore to give such orders as will effectually carry out the following regulations; and Commanders-in-Chief or senior officers, on their inspections, are to make special inquiry, with a view to ascertain whether the said regulations have been properly observed:

1. In Ward-room messes the entrance is not to exceed 12*l.*, and the monthly subscriptions 3*l.* for each member.

2. In Gun-room messes the entrance is not to exceed 8*l.*, and the monthly subscriptions, including all extras 1*l.* 10*s.* for each member.

3. Messmen are not to be allowed in Her Majesty's Ships; and Stewards and others are to be prohibited from selling provisions, wine, spirits, &c., either to messes or to individuals.

4. The internal economy of each mess is to be conducted by a Caterer, or a Committee, as the officers may elect; any irregularity on the part of a member is to be checked by the senior officer present, or, if necessary, reported to the Captain or Commanding Officer.

5. Wine, spirits, and beer are not to be received on board any of Her Majesty's ships without the written approval of the officer in command [c].

6. At the expiration of every Quarter a statement, in duplicate, is to be prepared by the Committee or Caterer, showing the liabilities of the mess, the money in hand to meet those liabilities, the amount of entrance and monthly subscription required, and the sum owing by each member; one copy of this statement is to be retained in the mess, for the information of the members, and the other is to be delivered to the Captain by the senior officer. In Gun-room messes the statement referred to is to be audited by a Lieutenant, the Paymaster, and Naval Instructor, under the directions of the Commanding Officer. Should the Commanding Officer, on receiving these mess statements, or at any other time, observe any irregularity or extravagance, which it may not be within his province to remedy or check, he is to report the same to his Commander-in-Chief, if he be serving under one, and if not to the Secretary of the Admiralty.

7. The Engineers' messes are to be conducted on the same principles, and the accounts are to be prepared quarterly, audited, and submitted to the Commanding Officer, as enjoined in the case of Gun-room officers messes; but Engineers may, with the written sanction of the Commanding Officer, be allowed to take on board, as mess stock, a very moderate quantity of spirits, for their own use, in addition to the ship's allowance: should this privilege be abused by any member of the mess, the Commanding Officer will prohibit any future supplies in addition to the ship's allowance.

8. Officers must remember that their mess debts have, equitably, a prior consideration for settlement to any other debts they may have incurred; such debts should, as an ordinary rule, be settled once a month, but in no case should they be allowed to remain unliquidated beyond the end of the Quarter.

9. No officer should leave his ship in debt to the mess; but when he is obliged to do so, it is his duty to enter into some satisfactory arrangement for paying what he may owe within a given time.

10. All officers belonging to and doing duty in the ship are to be required to join the mess to which by their rank they belong. Supernumerary officers doing duty, taking passage, and living on board, are to join their proper mess; and, when they do not pay a mess entrance, they may, in addition to the subscription of the regular members, computed at a daily rate, be charged not more than 1*d.* a day, in Ward-room messes, and 3*d.* a day in Gun-room and Engineers' messes.

11. If it be necessary to lay in a larger mess stock than usual, to meet the requirements of a long voyage, such stock is to be paid for by a monthly subscription in advance; and officers in command, as well as others, are to take care that, before the ship leaves the port all the mess debts, for stock and furniture, have been duly discharged.

By observing the foregoing rules, and carrying them out in a proper and becoming spirit, my Lords anticipate that the comfort of the officers will be increased, while, at the same time, the public service will be benefitted by the avoidance of irregularities in mess transactions.

By Command of their Lordships,
H. Corry.

(INCREASED ALLOWANCE OF BISCUIT, &c., AND GRATUITOUS ISSUES OF BEDDING, CLOTHING, &c.

With the view of improving the condition of the Petty Officers, Seamen, and Marines of the Fleet, The Lords Commissioners of the Admiralty are pleased to direct that the following alterations shall be made in the scale of victualling of the Royal Navy, viz.:—

The allowance of biscuit to be increased from one pound to one and a quarter pound per man per day, the savings' price being reduced from 2*d.* to 1½*d.* per pound.

The allowance of sugar to be also increased from 1½ oz. to 2 oz. per man per day.

The above alterations are to be brought into operation on and after the 1st day of July next, or on the first day of the quarter following the receipt of this order on board.

Their Lordships have further been pleased to approve of an extra allowance of chocolate and sugar to the extent of ½ oz. of each article being issued at the discretion of the Commanding Officer, either in the middle or morning watches, to such portion of the Ship's Company as may be much exposed during severe weather, or when from circumstances of sickness, or climate, or for other causes, he may consider it desirable.

This extra allowance may be commenced on the first occasion calling for the same, and the Paymaster's claim for such extra issues is to be made on his Victualling Statement, supported by a certificate on the annexed form below.

Their Lordships, being also desirous that the seamen on entering should, as far as practicable, be freed from the necessity of incurring debt, are pleased to direct that the following regulations be observed from the date of the receipt of this circular, viz.:—

Bedding.

All men and boys, on first joining one of Her Majesty's ships, shall be supplied with a bed, blanket, and bed cover, free of charge.

These articles, being the property of the Crown, will be marked with the Broad Arrow in Blue, and on the ship being paid off they are to be returned into store by the Paymaster.

CIRCULAR No. 866.

Admiralty, 10th May, 1859.

(CONTINUOUS SERVICE PAY AND ENGAGEMENTS.)

Pay.

Doubts having arisen as to the Pay to which Continuous Service Seamen may be entitled after the completion of the periods of service for which they respectively entered; My Lords Commissioners of the Admiralty are pleased to direct as follows:—

1. Continuous service men sent home from Foreign Stations are to be allowed continuous service pay till the date of their arrival in England.

2. If discharged abroad to the shore, at their own request, they are likewise to be allowed continuous service pay to the date of their discharge.

3. Continuous service men who complete their engagements whilst serving abroad, and who claim their discharge, are, if the necessities of the Service admit of it, to be sent home by the first opportunity which may occur of a Vessel of War proceeding to England; but if detained, through the exigency of the Service, after the said opportunity has occurred of sending them home, they are to be paid two pence a day from the termination of their engagements, in addition to their continuous service pay.

4. Men who have completed their terms of continuous service, are to be required to state forthwith, whether they are desirous of re-entering for non-continuous or continuous service; and, in the latter case, to specify the particular periods for which they wish to re-enter, under Clauses Nos. 1, 2, and 3, page 5, of Circular No. 121.

Engagements.

My Lords have had under their consideration the regulations embodied in the Clauses 4 and 5, page 5, of Circular No. 121, which grant continuous service pay under the following conditions, viz.:—

"To men who have already served 10 years and upwards, from the age of 18, provided they volunteer either for seven years' further service, or for such periods as may be necessary to make up 20 years' service from the age of 18; provided, in the latter case, such period of continuous and general service to be completed, be not less than five years.

"To men who have already served 16 years and upwards in the Navy, from the age of 20, and who volunteer to complete by general service, such periods as may be necessary to make up 21 years from the age of 20."

The regulations in question were established in the year 1853, with the view of affording the seamen of the fleet, commg under the conditions specified, the opportunity of volunteering for continuous service, and thus of receiving continuous service pay; but these rules having now been in force for a period of upwards of five years, and the specific object for which they were framed having been fully accomplished, My Lords are pleased to direct that they be considered as cancelled.

The remaining Clauses in the said Circular, relating to the entry or re-entry of men for continuous service, remain in force.

The present order is to take effect from the 1st June next, on the Home and Mediterranean Stations; and from the 1st August next, on the other Foreign Stations.

By Command of their Lordships,

H. CORRY.

10.—When Medical Officers of the Navy may be employed on shore, on joint service with Her Majesty's Land Forces, such relative rank will carry with it all precedence and advantages attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead; but Medical Officers serving in the Fleet, notwithstanding the relative rank thus conferred upon them, will, in all such details, and also in all matters relating to the duties of the Fleet, and to the discipline and interior economy of Her Majesty's ships, be subject, as heretofore, to the authority of any executive officer of the Military Branch, while on duty, under the General Regulations which may from time to time be prescribed by the Lords Commissioners of the Admiralty.

11.—Medical Officers will share Prize Money according to the Proclamation or Proclamations which may be in force at the time being, for regulating the distribution of the proceeds of Prizes in the Royal Navy.

12.—Medical Officers will be entitled to the same allowances on account of wounds and injuries received in action as combatant officers holding the same relative ranks.

13.—The families of Medical Officers will in like manner be entitled to the same allowances as granted to the families of combatant officers holding the same relative ranks.

14.—Medical Officers will be held entitled to the same honours as other Officers of the Royal Navy of equal relative rank.*

15.—A Medical Officer retiring, after a full-pay service of twenty-five years, may, in cases of distinguished service, receive a step of honorary rank, but without increase of half-pay.

16.—Good Service Pensions will be awarded to the most meritorious Medical officers of the Royal Navy, under such regulations as shall from time to time be determined upon.

CONTINUOUS SERVICE ENGAGEMENTS.

My Lords Commissioners of the Admiralty are pleased to direct that, in future, all Continuous Service Engagements, after they have been completely signed as required by Circular No. "121," are to be sent into Office at stated periods, instead of irregularly as at present, and accompanied by Lists thereof, as per form annexed.

In Ships commencing the new system established by Circular No. 321, these lists are to be made up every month, and sent into Office, with the engagements; and, after the Office Record Book has left the Ship, they are to be forwarded along with the Monthly Returns for the Record Book. In Ships already on the new system, and where Record Books are already in Office, the Continuous Service numbers, dates, and periods of all the existing Continuous Service Engagements are to be inserted in the *first* Victualling List rendered after the receipt of this Circular on board Ship, and thereafter the Continuous Service Engagements executed each Month, with the lists thereof, are to be forwarded with the Monthly Returns for the Record Book as before directed. It is to be noted in the last page of the Monthly Returns that the Continuous Service Engagements completed in the Month are sent as before directed; or, if no Engagements have been completed during the Month, a notation to that effect is to be made on the Monthly Returns.

In all Ships where the Books and Accounts continue to be kept on the old system, a similar list of Continuous Service Engagements is to be made up Quarterly, and forwarded along with the Quarterly Muster Books, accompanied by the Engagements, or, if no Engagements have been executed during the Quarter, a notation to that effect is to be made on the outside sheet of the Muster Book.

(MARKED BEDS, BLANKETS, AND BED COVERS ISSUED GRATUITOUSLY TO SEAMEN, &c., AND CLOTHING ISSUED GRATUITOUSLY.)

Their Lordships are pleased to direct with reference to their Circular, No 364, that the Paymaster of every Ship shall keep a marked Bedding Account Book (Form No. 22 A., 1859) in three parts.

In the first part are to be inserted the names, &c., of men to whom beds, blankets, and bed covers have been delivered for their use by the Paymaster of the ship, and the particulars of their ultimate disposal; in the second part, the names, &c., of men who have brought those articles with them from other ships, and the particulars of their ultimate disposal; and in the third part are to be entered the supplies, returns, &c., of the articles in question. The third part is to be totalled and balanced periodically, to correspond with the accounts transmitted into office. Should the Paymaster be superseded, he is to leave this book with his successor; and when the ship is paid off, it is to be transmitted into office complete, for the whole period of her commission.

At the end of every quarter, and on the ship being paid off, or the Paymaster superseded, he is to transmit into office an account (Form No. 22 B.) of the receipt, expenditure, &c., of marked beds, blankets, and bed covers in his charge for the use of the crew. On the debit side of this account are to be inserted the numbers of each of the above articles remaining at the commencement of the account (if any),—distinguishing such as are in use by entering them in red ink)—supplies obtained for the use of the crew, either from Her Majesty's Stores or Ships, and the numbers received with men from other ships, specifying in each case the names of the ships, and the number of men. On the credit side are to be inserted all losses, condemnations, returns into store, supplies made to other ships for the use of their crews, and the numbers taken with men discharged to other ships, specifying in each case the names of the ships and the number of men. All the foregoing credits must be supported with proper receipts or vouchers to be transmitted with the account. There are also to be inserted on the credit side the number of each article on board, and not in use at the time when the account closes; and lastly, in red ink, so as not to confound them with the foregoing, the numbers that may be in use by the Crew.

On the death, desertion, or discharge to the shore of any person to whom marked bedding may have been issued, the Paymaster is to recover, and receive back in his possession, the several articles with which such person may have been supplied.

Men sent to Hospital or Sick Quarters are not to take their marked bedding with them, but, on being cured, should they be discharged to any other ship than that to which they belong, for passage, the Paymaster of such ship is to lend them bedding for the time they may be on board.

Men sent home in Merchant Ships, who take their marked bedding with them, are to have the value thereof charged separately in their pay-tickets, and they are to be informed that on their producing a receipt for the same from the Paymaster of any ship at the port where they may arrive, or from the Storekeeper of a victualling yard, the charge will be removed by the officer who pays them.

All Paymasters, at places where there is not a victualling yard, are required to receive into their charge the marked bedding that may be tendered to them by the men referred to, and to grant the necessary receipts for the same; and when the tickets of such men are assigned to them for payment, they are, on the production of the receipt, to attach it to the pay voucher, and to remove the charge which may appear to have been made for the bedding.

The Paymaster is to keep on board such a quantity of unmarked beds, blankets, and bed covers as he may deem necessary, which he is to account for in his clothing account as at present. The issuing price of the cover is 1*s.* 10*d.*

Men and boys, to whom marked bedding may not have been issued, are, on their own bedding becoming worn out, or being lost by accident, to be supplied gratuitously, with *marked* bedding.

Clothing issued gratuitously.

That part of their Lordships' Circular, No. 364, which grants a suit of clothes to every man on his first entering the Navy for ten years' continuous service, and to all boys on being advanced to man's rating, is to take effect from the day of the date thereof, instead of from the day of his receipt on board Her Majesty's Ships.

(PUNISHMENTS.)

The Lords Commissioners of the Admiralty being desirous of revising the Regulations respecting Punishments in Her Majesty's Navy, are pleased to direct as follows:—

I. All Seamen and Royal Marines belonging to the Fleet shall be divided into two classes, hereinafter referred to as the 1st and 2nd Class.

II. All men now serving in the Fleet whose character is marked "good" shall be in the 1st Class.

III. All men on first entering the Navy or reserves, and all men re-entering the Navy with certificates marked "good," shall be also in the 1st Class.

IV. No man in the 1st Class shall be subject to corporal punishment, except by sentence of a Court Martial.

—V. Men in the 1st Class committing any grave offence against discipline or guilty of repeated misconduct will be removed by Warrant into the 2nd Class. They will not be liable to corporal punishment at the time when they are so removed, but in addition to degradation to the 2nd Class other punishment may be inflicted, according to the degree of the offence.

VI. The 2nd Class will consist of all men whose conduct has not entitled them to certificates marked "good."

VII. No man in the 2nd Class shall be subject to corporal punishment, without Court Martial, except for the following offences:—

1. Mutinous, or highly insubordinate or riotous conduct.
2. Desertion.
3. Repeated Drunkenness.
4. Smuggling liquor into the Ship.
5. Theft.
6. Repeated disobedience of orders.
7. Deserting his post.
8. Indecent assaults.

VIII. Men in the 2nd Class, by a continued course of good conduct, for a period of not less than twelve months, will be entitled to be restored to the 1st Class.

The above Rules are not intended to relate to cases of open Mutiny, where immediate punishment may be necessary to check a disposition on the part of others to join in so flagrant a crime.

Future Punishment Returns are to contain the number of men in the 1st and 2nd Class respectively.

This Circular is to be read to the Crews of Her Majesty's Ships on each occasion of the Articles of War being read.

CIRCULAR No. 397.

Admiralty, 1st December, 1859.

(ENGINE ROOM TELEGRAPHS.)

Their Lordships are pleased to issue the following Instructions as to the care and management of Engine Room Telegraphs on board Her Majesty's Ships.

The Telegraph, and all its gear, is to be placed under the care of the Chief Engineer, who is to be held responsible for its efficiency.

1st. When the Steam is not up, or the fires are banked, with the Ship at anchor, the Deck Dials are to be kept covered with the covers provided for the purpose; and the Handles are to be removed, and placed in the Engineer's Store Room.

2nd. When the ship is about to proceed under Steam, one of the Junior Engineers is to be stationed to remove the covers from the Deck Dials, ship the Handles, and make a few moves to insure the Instrument being in good working order, reporting the same to the Captain or Commanding Officer.

3rd. Strict orders are to be given by the Captain of the Ship that none but competent Officers, appointed by himself for that purpose, are in any way to meddle with, or work the Telegraph.

4th. Before working the Telegraph the warning or "Stand by" Bell is to be rung, until answered from below on the Deck Gong; and this precaution for ensuring attention in the Engine Room is to be repeated whenever any considerable time has elapsed since the last order by the Telegraph was given.

5th. In these Dials, where all orders for going "A-head," point A-head, and all orders for going "A-stern," point A-stern, in working the Telegraph, which is to be done briskly, care is to be taken that the Pointer on the Deck Dial be moved some distance beyond the centre of the division which contains the order about to be given, and then brought back to the centre of the division, this being necessary in order to ensure the striking of that Bell in the Engine Room on the change of each order.

6th. When slight variations of speed are required, as must often occur when Ships of different power are manœuvring, or keeping station together, the orders "Slow" and "Faster" are intended to be used for this purpose, simply by their being repeated. For example:—Suppose the Pointer to have been moved from either Slow or Half-speed to "Faster," but that it is required still to increase the speed to a small degree, then by moving the Pointer right or left, so as to make sure of striking the Bell in the Engine Room, and bringing it back again to the order "Faster," as before, it will be clearly understood by the Engineer, that a small increase of speed is still wanted, and this repetition may be made as often as the speed can be varied between Slow and Half-speed, and between Half-speed and Full-speed. It is also evident that the order "Slow" may be used in like manner until the Engines are reduced to their minimum speed.

7th. It is to be borne in mind that the order "Stop" has reference to the engines only, and that in a Screw Ship, the Ship's own head-way is but very gradually affected by the stoppage of her screw: TO avoid collision, therefore, or in any other emergency, the engines must be reversed, and provision has been made that whenever this is requisite it should be distinctly known throughout the Engine Room to be an emergent order. For this purpose a stop is fixed to prevent the Pointer of the Deck Dial from being moved direct from "Full Speed" A-head, to "Full Speed" A-stern, or vice versa, so that the change from the one to the other can only be made by moving the Pointer past every other order on the Dial, ringing the Bell of each one as it passes, and thus forming an alarum in connexion with these two orders whenever they have to be used on an emergency. This stop also enables these orders to be given at once, with the most complete confidence, even at Night, without any necessity for waiting to open the shutter of the night shade.

8th. When under steam, and night is approaching, one of the junior Engineers is to have standing orders to put on the night shades of the Deck Dials, and to see that the illuminating lamps are trimmed and ready for use, and he is to report the same to the Officer of the Watch; the spare lamp is to be placed in charge of the Quarter-Master of the Watch ready to replace either of the others when they may require to be trimmed.

9th. As the efficiency of the Telegraph will much depend on the care and attention bestowed on it by the Chief Engineer of the Ship, it will be his duty to see that all the bearings and gearings are kept well oiled and in working order, and that none of the expansion couplings are allowed to become corroded or set fast.

By Command of the Lordships,

C. PAGET.

To all Commanders-in-Chief, &c.

(EMPLOYMENT OF ASSISTANT ENGINEERS IN MAKING GOOD DEFECTS OF FLEET.)

My Lords Commissioners of the Admiralty are of opinion, that it is desirable that the defects of the Fleet should, as far as possible, be made good by the Artificers of the Fleet; and their Lordships therefore direct, that when repairs are necessary requiring superior mechanical skill, and which cannot be satisfactorily performed by the Carpenter's crew, Blacksmiths and Ship's Armourers, the same shall be executed, when practicable, by the Assistant Engineers of the Fleet.

My Lords are further pleased to direct, that when Assistant Engineers are thus employed, in actual manual labour, upon work unconnected with their own Ship, they shall be allowed increased Cheque Money at the undermentioned rates, which are to be charged to the Ship under repair in the usual way, viz.:—

Of 10 working hours.

1st Class Assistant Engineers	6s. per diem.
2nd Class Assistant Engineers ...	5s. ,,
3rd Class Assistant Engineers ...	4s. ,,

When employed during a part of the day, a proportionate allowance at the above rates is to be paid.

By Command of their Lordships,

C. PAGET.

To all Commanders-in-Chief, &c.

At the Court at Buckingham Palace, the 4th day of February, 1861.

(Present, the Queen's Most Excellent Majesty in Council).

WHEREAS Her Majesty was graciously pleased by Her Royal Proclamation, bearing date the thirtieth day of *April* one thousand eight hundred and fifty-nine, to promise and declare that the Bounties of Ten Pounds for every Able Seaman, and Five Pounds for every Ordinary Seaman, fit for Her Majesty's Service, should be paid, in the manner thereby directed, to every such Able and Ordinary Seaman, not above the age of forty-five, nor under the age of twenty years, who should, on or before the fifteenth day of *June* then following, enter themselves to serve in Her Majesty's Royal Navy, either with the Captains or Lieutenants of Her Majesty's Ships, or Officers employed in Tenders, or at Rendezvous on Shore for raising men for the Service of the Royal Navy. And whereas Her Majesty was also graciously pleased by Her said Proclamation to declare that all able-bodied Landsmen, not above the age of twenty-five nor under the age of twenty years, who should so enter themselves as aforesaid, should receive the sum of Forty Shillings each man, as Her Majesty's Royal Bounty. And whereas the time limited for payment of the said Bounties, so far as they relate to Able Seamen and Ordinary Seamen, was, by Order in Council of the eleventh day of *June* one thousand eight hundred and fifty-nine, prolonged and extended from the said fifteenth day of *June* to the thirty-first day of *July* one thousand eight hundred and fifty-nine. And whereas by certain other Orders in Council the said Bounties to Able and Ordinary Seamen were reduced to Eight Pounds and Four Pounds, to Six Pounds and Three Pounds, and lastly to Four Pounds and Two Pounds respectively; and the time limited for the payment of the said last-mentioned Bounties was on

the twenty-sixth day of *March* one thousand eight hundred and sixty prolonged and extended from the first day of *April* one thousand eight hundred and sixty to the thirty-first day of *March* one thousand eight hundred and sixty-one. And it being judged expedient for Her Majesty's Service that Bounties should, so far as they relate to Able Seamen and Ordinary Seamen, be continued to be paid for some time longer, but that the same should be further reduced to Two Pounds in respect of Able Seamen, and to One Pound in respect of Ordinary Seamen, Her Majesty, with the advice of Her Privy Council, doth therefore Order, and it is hereby accordingly Ordered, That the time limited for Payment of the said further reduced Bounties of Two Pounds to Able Seamen, and of One Pound to Ordinary Seamen, be prolonged and extended from the first day of *April* next to the thirty-first day of *March* one thousand eight hundred and sixty-two inclusive: Whereof all Persons concerned are to take Notice and govern themselves accordingly.

My Lords Commissioners of the Admiralty having ordered that in future Riggers shall be entered on the Establishments of the several Dockyards, and shall no longer be employed under the denomination of Seamen Riggers; their Lordships are further pleased to direct that no men be in future entered as Riggers either of the 1st or 2nd Class who shall be above 35 years of age, and that no Pensioners be allowed to receive their Pensions whilst borne on the Establishments of the Yards.

The Captains of any of Her Majesty's Ships under orders to be put out of Commission, may be allowed to recommend Seamen as heretofore, as fit and proper persons to be entered to fill vacancies in the Establishments of the Dockyards as Riggers; but no man whose age exceeds 35 years is to be recommended; and all Seamen who may be so recommended are to be informed that they can be entered only as vacancies may occur in the Establishments of the several Yards, and with the approval of the respective Superintendents, to whom lists of all men recommended will be forwarded.

Continuous service men may be recommended in the same manner as other Seamen; but, in the event of their being discharged from the Dockyards, they will be liable to complete at sea the remaining period of their service, but will be allowed to reckon the time served in the Dockyards.

(RECEIPTS FOR SIGNAL BOOKS AND PRIVATE SIGNALS.)

My Lords Commissioners of the Admiralty are pleased to direct that in the case of the transfer of Signal Books and Private Signals, the receipts obtained from his successor, by an Officer relinquishing the command of one of Her Majesty's Ships, shall be considered as sufficient to pass his accounts in the Office of the Accountant-General of the Navy; and that in the case of a Ship being put out of Commission, the certificate now obtained by the Commanding Officer from the Commander-in-Chief, into whose Office the Signal Books are returned, shall supersede the necessity for a certificate being issued under the signature of the Secretary of the Admiralty.

Private Signals, which are at present returned to this Office on a ship being paid off, are in future to be returned, under a sealed cover marked "Secret," to the Office of the Commander-in-Chief with the Signal Books, and they will be dealt with in the same manner as the Signal Books.

With the view of giving encouragement to the intelli...ent Seamen of the Fleet, my Lords are also pleased to ...der that a proportion of the Seamen Gunners (Petty ...fficers or Seamen) employed on board Her Majesty's ...ips shall be designated as "Gunnery Instructors," and ...e owed sixpence a day in addition to the ordinary pay ...Seamen Gunners, as well as the pay of the ratings they ...ay respectively hold, so long as they may be employed ...Instructors. Great care is to be taken in their selec...n, and, in addition to their being superior drills in the ...at gun, rifle, and sword exercises, they should be good ...ots.

The duty of the Gunnery Instructors will be to attend, ...der the Gunnery Officer or Gunner, to all drills in great ...ns and small arms, and they will, at the discretion of ...e Commanding Officer, be excused as far as possible ...m any other duty whilst the day drills are going on; ...t when, from any cause, the drills are discontinued, ...ey will be employed as most convenient in their ...aches.

The following proportion of Gunnery Instructors will be ...llowed to each ship:—

First Rates	6
Second and Third Rates	5
Fourth Rates	4
Fifth and Sixth Rates, and Corvettes	2
Sloops	1

Hereafter on a ship being first commissioned Gunnery Instructors will be discharged into her from one of the Gunnery ships, but when vacancies for Instructors subsequently occur in ships, either at home or abroad, and in all ships already in commission, the Instructor may be elected from Seamen Gunners of the First Class by a Gunnery Officer, subject to the approval of the Commanding Officer of the ship in which the man may be serving, and on the Gunnery Officer reporting that the candidate is duly qualified as an Instructor, the Commanding Officer will cause the man to be rated and paid accordingly; the letters "G I" being placed against the name in the ship's books.

Gunnery Instructors will be considered eligible for Gunners' and Boatswains' Warrants, provided they qualify themselves for such promotion in the usual manner. When they return to a gunnery ship on being discharged or paid off, they will revert to the ordinary pay of Seamen Gunners.

It is to be clearly understood that all Seamen Gunners will still be required to assist in the instruction of the ships' crews whenever they are directed by their Commanding Officers to do so.

Badges for Seamen Gunners.

As marks of distinction, Seamen Gunners First Class will be entitled to wear on the right arm a gun and crown; and Seamen gunners Second Class, a gun.

Trained Men.

Their Lordships are further pleased to establish a class of "Trained Men" who will be allowed one penny a day in addition to their ordinary pay.

They must be well acquainted with the duties of all the numbers at a gun, the fitting of gun gear, the use of sights, be able to lay a gun quickly and correctly, know the manual and platoon exercises for the rifle, and also possess a fair knowledge of the sword exercise.

Any Seaman, above Second Class Ordinary, so qualified (no matter what rating he may hold) may be examined by the Gunnery Officer of his own or any other ship; or, in the absence of any such Officer, by a Gunner, and on a report being made to the Commanding Officer that the man is qualified for such rating, he will be rated and paid accordingly, the letters "T M" being placed against his name on the ship's books.

N.B.—Great care should be taken to specify in all Returns of Men borne on the Books of Her Majesty's Ships (especially in the Monthly Return, Form No. 141, established by Circular No. 201) the numbers of Gunnery Instructors and Trained Men; and the necessary notations must always be made on the men's certificates.

CIRCULAR No. 414.

Admiralty, 8th March, 1860.

(ENTRY, EXAMINATION, &c., OF ASSISTANT-CLERKS, CLERKS, AND ASSISTANT-PAYMASTERS IN THE ROYAL NAVY.)

1. *Assistant-Clerk.*

Every Candidate, on obtaining a nomination, will be required to pass an examination on board the Flag Ship at Portsmouth, within three months of nomination. No Candidate will be nominated who is less than 15, or more than 19 years of age.

2. The Candidates will be examined by the Captain and a Naval Instructor of the Flag Ship, assisted by two Paymasters appointed to that duty by the Commander-in-Chief. The examinations will take place on the Second Wednesdays in the months of March, June, September, and December.

3. *Candidates will be required—*

I. To produce a certificate of birth, or declaration thereof made before a magistrate.

II. To be in good health, and fit for the Service, that is, free from impediment of speech, defect of vision, rupture, or other physical inefficiency.

III. To write English correctly from dictation, and in a good, legible hand.

IV. To read and translate French.

V. To have a competent knowledge of Arithmetic, including Vulgar and Decimal Fractions.

VI. To have a fair knowledge of Scripture and English History, and of Geography.

4. If the Candidate be found unqualified at his first examination, he may be re-examined on either the first or second subsequent examination days, provided he be not, at the time of such re-examination, beyond the age of 19. Should he fail in passing the second examination, he will be finally rejected.

5. On passing the required examination, and obtaining a certificate to that effect, the Candidate will at once be appointed by the Admiralty to one of Her Majesty's Ships.

6. *Clerk.*

An Assistant-Clerk having served one year in that capacity, and being 17 years of age, may, under the direction of the Senior Officer present, be examined touching his qualifications for the rating of Clerk, by three Paymasters, in the presence of a Captain or Commander. On this occasion the examining Officers are to ascertain that the Candidate has a competent knowledge of Arithmetic, including Vulgar and Decimal Fractions, and that he is so far acquainted with the method of keeping and rendering Ships' Books and Accounts as to enable him efficiently to perform the duties required of a Clerk in one of Her Majesty's Ships.

Should the Candidate be found duly qualified, he is to receive a certificate from the examining Officer to that effect; and the Officer in command of the Ship in which he is serving may forthwith rate him as Clerk.

7. A Clerk, when he shall have served one year and a half in that rank, is, under the direction of the Senior Officer present, to be examined by three Paymasters, in the presence of a Captain or Commander. At this examination the Candidate must, in addition to the points mentioned in the preceding article, show that he has a competent knowledge of the allowances of Provisions to the Fleet, and of the mode of issuing them. First or Second Class Certificates are to be given, according to the merit of the Candidate, or he is to be rejected if found incompetent; and the period that may elapse from the date of his being so rejected to the date of his passing this intermediate examination shall not be allowed to him as Sea Time. If the requisite number of Officers cannot be obtained, the Candidate may be examined by the Officer in command of the Ship in which he is employed, assisted by such other competent Officers as may be procurable; but, in such case, he must be re-examined by proper Officers on the first opportunity that shall afterwards offer, and if he then passes successfully, he will receive a certificate to that effect, dated back to the day of the provisional intermediate examination; but if he be rejected, he will incur the forfeiture of subsequent service mentioned in the first part of this article.

8. A Clerk, from the date of his passing the intermediate examination referred to in the preceding article, must continue to serve in that capacity for a further period of one year and a half; and having completed such further period of service, he may, provided he shall have attained the full age of 21 years, be examined, under the direction of the Senior Officer present, by three Paymasters, in the presence of a Captain or Commander, touching his qualifications for the office of Paymaster of one of Her Majesty's Ships.

At this examination the Candidate must prove his fitness for the various duties which he will be required to perform as Paymaster, particularly as to his knowledge of the relative value of English and Foreign Coins, Weights, and Measures,

of the method of calculating the rates of Exchange, and of all other matters appertaining to the Cash transactions of Her Majesty's ships; and likewise of the mode of receiving, issuing, and accounting for Provisions, Clothing, and Victualling Stores. He must also show that he has a competent knowledge of Arithmetic, including Vulgar and Decimal Fractions; that he is acquainted with the Queen's Regulations and Admiralty Instructions, the Paymaster's Instructions, and with all the Orders that may be in force bearing on the duties of Paymasters of the Royal Navy.

If the Candidate be found duly qualified, the examining Officers are to give him a First or Second Class Certificate, according to his merit, and the Senior Officer present may appoint him by Commission, dated on the day of the examination, to be Assistant-Paymaster of the Ship in which he (the Candidate) may at the time be serving.

9. In the event of an Assistant-Clerk, or a Clerk, serving in a Ship so far removed from other ships, that the requisite number of examining Officers cannot be obtained, the examinations under the preceding Articles (6 and 8), are to be conducted by the Officer in command of the ship in which the Candidate may be employed, assisted by such other competent Officers as may be procurable at the time; and on the Candidate passing satisfactorily, the said Officer in command may forthwith rate him in the capacity of Clerk, or grant him an acting order as Assistant Paymaster, as the case may be; but in such instances the Candidate must be brought forward for re-examination by three Paymasters, in the presence of a Captain or Commander, on the first opportunity that shall afterwards offer; and, if he then passes, he will receive further certificates to that effect, dated back to the day of the provisional examination, and from the Senior Officer present confirmation in the rank of Clerk, or of Assistant-Paymaster, as the case may be; should, however, the Candidate be rejected, he is to revert to the rank he may have held at the time of the provisional examination, and to the pay of that rank, from the date of his being so rejected, the period during which he may have acted in the superior rating being only allowed to reckon as Sea Time, for the inferior capacity from which he may have been previously advanced.

This Circular is to come into operation on and after 1st June, 1860; but its application to Officers now in Her Majesty's Service, is to be limited to Assistant-Clerks and Clerks who have not served more than one year in that rating on 1st June, 1860.

(PENSIONS TO MARINES GRANTED FREE DISCHARGE WHO ENTER THE NAVY.)

My Lords Commissioners of the Admiralty having had under their consideration the cases of men, who, after having served in the Royal Marine Corps, have obtained free discharges under the Good Conduct Regulations, thereby forfeiting all claim to other than deferred Pensions; and it appearing that such men have subsequently to their discharge occasionally offered themselves, and been accepted for service in the Royal Navy; my Lords are pleased to direct that when any such men, or others who may hereafter enter the Navy under like circumstances, shall have completed a total period of 21 years service, including the time served in the Royal Marines, they shall be entitled to Long Service Pensions, provided their conduct has been good during their service in the Royal Navy.

The deferred Pension authorized by the Good Conduct Regulations will not be allowed in addition to the Long Service Pension; nor will Marines volunteering under the above circumstances to enter for continuous service, become entitled to Long Service Pensions, for less than a total period of 21 years service from the age of 18.

RECORD OF CONDUCT OF SEAMEN, PARCHMENT CERTIFICATES, &c.

My Lords Commissioners of the Admiralty having established a "Record of Conduct" Book for the Crews of Her Majesty's Ships, according to the form prescribed in the Watch, Station, and Quarter Bill Book, are pleased to direct that the entries which from time to time are to be made in such Record Book, shall be publicly read to the men in the presence of their officers and shipmates every three months, by the officers of the respective divisions, in order that the knowledge of the character the men have earned may induce them to conduct themselves well, and that they may know the exact dates at which, after completing two years "very good" conduct, they will severally become entitled to Good Conduct Badges.

The Commanding Officers of Ships will observe that my Lords are desirous that every opportunity should be afforded to men of indifferent or bad character to amend, and they therefore direct that great care and attention shall be given to the correct and regular filling-up of the columns in the "Record of Conduct" Book, more particularly with regard to the date at which a man, by any change of conduct, either for better or worse, may become entitled or liable to a change of character; and the Commanding Officer must examine, every six months, the entries which he has directed to be made, subscribing his initials and the dates of such examinations.

Half a page, or a whole page, of the book should be allotted to each man's name, and every six months a notation is to be made on a man's parchment certificate of any change of character which may have been recorded in the book, with the date of such change.

Two columns are to be added in the "Record of Conduct" book, one to be headed "Six-monthly Record of other Drills" and the other for "General Remarks."

Larger parchment certificates will in future be issued, which will have columns to show the men's ability in Gunnery and Small Arm Drills as well as in Seamanship, and notations on these points are to be made on the certificates now in use.

The corner of a certificate is only to be cut off when the character of a man has been so bad as to make it desirable to prevent his re-entry into the Navy, and when such cases occur with regard to *continuous service men* they are to be specially reported by Commanding Officers of Ships to Commanders-in-Chief or Senior Officers.

By Command of their Lordships,

C. PAGET.

To all Commanders-in-Chief, &c.

(STOPPAGE OF ALLOTMENTS TO WIVES AND RELATIVES OF SEAMEN, &c.)

Complaints having lately come under the notice of my Lords Commissioners of the Admiralty, of the distress caused to the relatives of Seamen by the stoppage of their allotments for alleged insufficient reasons, my Lords direct, that before Captains and Commanding Officers of Her Majesty's Ships request the Accountant-General of the Navy to stop allotments to wives or near relatives, they shall *personally* make enquiry as to the validity of the reasons given by the men for discontinuing payment, and, where necessary, reason with them as to the propriety of continuing to support their wives and families.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, &c.

CIRCULAR, No. 430.

Admiralty, 20th June, 1860.

(SEA SERVICE RIFLES, BAYONETS AND CUTLASSES TO BE NUMBERED.)

My Lords Commissioners of the Admiralty having deemed it expedient that the new pattern Rifles issued for Sea Service should be numbered in the same way as those issued to the Army, the Commanding Officers of Her Majesty's Ships are hereby informed that consecutive numbers, from one upwards, will be engraved on the heel-plate of the Rifle previous to issue by the Military Storekeeper at the port of fitting out. Should any Arms be required to replace a portion of those first issued, a statement of the deficient numbers is to be sent to the Military Storekeeper at the port where the Ship may be, and those numbers will then be engraved on the arms to be issued.

The same rule is to be observed in the case of Cutlasses and Bayonets, the latter of which will bear the number of the Rifles to which they belong.

In no case are the numbers to be engraved on board Ships.

By Command of their Lordships,
C. PAGET.

To all Flag Officers, &c.

CIRCULAR, No. 436.
Admiralty, 20th July, 1860.

(ASSISTANT ENGINEERS IN CHARGE OF ENGINES.)

In order to determine whether Assistant Engineers in charge of Machinery are entitled to the extra Shilling a day allowed under Her Majesty's Order in Council, dated 22nd February, 1860, My Lords Commissioners of the Admiralty are pleased to direct, that the words "*in charge of Engines*" be inserted on the Ships' Books and Pay Documents against the names of all Assistant Engineers who are in charge.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, &c.

CIRCULAR, No. 438.
Admiralty, 24th July, 1860.

(MONTHLY ADVANCES TO OFFICERS AND CREWS OF HER MAJESTY'S SHIPS, &c.)

Her Majesty having, by Her Order in Council of the 30th ultimo, been graciously pleased to approve of the accompanying Regulations for paying the Navy, which my Lords Commissioners of the Admiralty have resolved to establish, under the authority vested in them by the Navy Pay and Prize Act, 17 Vict., chap 19, I am commanded by my Lords to signify the same for general information and guidance.

These Regulations are to be brought into operation on and after the 1st day of October next, or in ships abroad as soon thereafter as this Circular is received on board.

My Lords desire to call attention to the privilege hereby granted to the Officers as well as the Crews of Her Majesty's Ships, of receiving a considerable portion of their pay every month, if desired; and to the facilities afforded for remitting to relatives and others out of wages due, both at home and abroad, such sums as may not be required by seamen while serving afloat; or of allotting at various rates, down to as small a sum as 10*s.* a-month; with the option also of leaving their wages undrawn till the ship is paid off, or of remitting what may be due from time to time for deposit in savings' banks, or to their friends.

In consideration of these opportunities of receiving larger advances on account of wages due, every month, and of allotting at various rates, and of remitting portions of their wages both at home and abroad, My Lords have been pleased to discontinue the system of paying down ships at home every six months, and to establish a system of an Annual Balance or adjustment of wages, at the end of each financial year, viz., 31st March, as explained in Article 34 and subsequent Regulations. On these occasions the Commanding Officers of Her Majesty's Ships are to take care that the crews are fully satisfied as to the state of their accounts, and that they fully understand they have that special opportunity of remitting or investing their money, or of leaving it undrawn till the Ships are paid off. It is further to be explained to the Seamen, that as payment of monthly advance will be made as it becomes due in ships newly commissioned, the payment of two months' Advance immediately before proceeding to sea will be discontinued; but in every case, when men have recently joined and not been paid any Monthly Advance, each man, before sailing, may receive one months' Advance, although not then due, in accordance with Article 22 of these Regulations.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, &c.

REGULATIONS FOR PAYING THE NAVY.

ADVANCES TO OFFICERS.

1. All Officers in the Navy who are at present entitled to be paid their Full-Pay quarterly under existing Regulations (Circular No. 292), may in future be paid a proportion thereof every month, according to the Scale in Table I. annexed,—fixed with reference to the various rates of Officers' Full-Pay,—out of which it is to be clearly understood that all mess debts are to be defrayed on board.

2. These Monthly Advances on account of pay are to be paid to such Officers as may desire it, as soon after the expiration of each month as may be convenient and the Captains of Her Majesty's Ships may direct. They are to be paid by the Paymaster of the ship upon a simple List, showing the Officers' names and rank, and the amounts paid to each Officer respectively, with their signatures against the sums received by them. The lists to be signed by the Paymaster and approved by the Captain. Three separate Lists will be required, as at present, for Commissioned Officers, Subordinate and Warrant Officers, and Marine Officers.

3. Upon any Officer's first appointment to a Ship at Home, from Half-Pay or Harbour Service, the amount of three such Advances may be paid to him together, if he wishes it, at his first joining, under the Captain's authority, and may be paid whether such Officer has been three months on Half-Pay or not. When Officers are so appointed to Ships abroad, a similar advance will be paid to them, upon application to the Accountant-General of the Navy, as at present.

4. The lists upon which advances are thus paid to Officers are to be described as "Officers' Monthly Advance Lists," and they are to be made out in duplicate in Ships Abroad,—the original to be sent into Office as the voucher for the payment along with the Paymaster's Cash Account,—the duplicate to be retained on board, in case of the original being miscarried or lost. In Ships at Home one list only will be necessary, as a voucher for the payment.

5. The amounts so paid to Officers are to be charged against them in the Charge Books of Ships on the new system, and in the Muster Books of other vessels.

6. Such advances are not to be paid, except on first joining, if the Officers, in any exceptional case, would thereby be brought in debt.

7. No Remittances are to be made out of these monthly advances to Officers, but Warrant Officers, on receiving a three-monthly advance on first appointment, under Regulation 3, may remit the whole or a portion thereof, as at present.

8. In the third month of each quarter the Officers' Full-Pay Accounts are to be prepared in accordance with the existing Regulations (Circulars No. 292 and 318), on which Accounts the Monthly Advances made to Officers in accordance with the foregoing Regulations, are to be shown in the column for deductions, after Income Tax, and abated along with other charges for the quarter.

9. The three-months' advance made to Officers on first appointment from Half-Pay to be adjusted on the Full-Pay account of the *succeeding* quarter.

10. The Officers may remit the whole or a part of the balance due to them on the Quarterly Full-Pay Accounts, as

at present; observing, however, that the Remittances made by an Officer should be limited, as a rule, to *one* remittance each quarter, and to sums not smaller than five pounds. The other existing Regulations (Circular No. 318) are to be carefully observed, in making out the Quarterly Remittance Lists of Officers.

11. The existing Regulations (Circular No. 292), as to the mode of paying *Allowances in addition* to Officer's pay, are to be adhered to, and *no part of such* additions to pay is *to be* paid as *Monthly Advance*.

12. The present Regulations are not to interfere with existing rules as to Advances to Flag Officers at home and abroad on their first appointment; but they may afterwards be paid monthly, according to the Scale in Table I., if they so desire.

MONTHLY ADVANCES OF WAGES, ALLOTMENTS AND REMITTANCES OF SEAMEN, MARINES, AND BOYS.

13. In lieu of the present scale of "Monthly Allowance" (Circular No. 163), the amounts shown in Table II. annexed, are to be paid to such men and boys as may desire it, as a Monthly Advance on account of their Wages.

14. To men who have Allotments in force, only the amounts assigned to the several rates of pay in Scale B., Table II., are to be paid; but men who do not allot may be paid, at their option, either the minimum rates in Scale B., or the maximum rates in Scale C. of the Table, when the state of their accounts will admit of it.

15. The rate at which men are entitled to be paid is to be governed by the daily pay of their respective Ratings, exclusive of Badge Pay and other additions to pay.

16. Care is to be taken that all men who are paid the higher rates in Scale C. of the Table, have no allotments in force; and separate Monthly Advance Pay Lists are to be made out for men who allot (whether paid at the higher rates or not), and for those who do not allot.

17. On the Home Station, these Monthly Advances on account are to be made to men, whether they allot or not, as soon after the expiry of each month as the Captain may direct; but payment is only to be made to those persons who have sufficient wages due at the time to bear the advance.

18. At places Abroad, the men who do not allot may be paid in like manner at the rates in Scale B. or C., under the Captain's authority.

19. Before making these payments at places Abroad to men who have Allotments in force, care is to be taken that sufficient wages will thereafter remain due to each man to cover his allotment for two months on stations within the distance of the North and South Atlantic, and three months on more distant stations,—in case any man so paid might afterwards suddenly die, desert, or be discharged. This Regulation is framed with the view of guarding the public from loss that must arise, if such payments on account of wages were made more closely up abroad, to men having allotments in force.

20. Every precaution is to be observed for avoiding the bringing of men into debt by the payment of Monthly Advance; and the same power as hitherto is reserved to the Captains of Her Majesty's Ships of stopping these monthly advances as punishment, or when they, for other reasons, may consider it undesirable to make the payments.

21. The Captains of Her Majesty's Ships will exercise their discretion as to the days upon which these monthly payments on account of wages are to be made to the crews of vessels,—having due regard to the circumstances in which the Ships under their command may be placed. When men decline to receive such Monthly Advance when it is in course of payment, they cannot afterwards receive it for the month so declined; but the Captain may defer making the payments for one or two months, if he judges it absolutely necessary, and may afterwards authorize the deferred payments to be made together, but not exceeding two months. In such cases a brief explanation of the circumstances should be given, either, if necessary, by special letter for their Lordships' information, or upon the Monthly Pay List on which deferred payments are made.

22. These payments of Monthly Advance may commence, in accordance with existing Regulations (Circular No. 361), at the end of the first month after a man enters the Service; but men being thus promptly paid upon first joining are not afterwards to be paid two months' "Advance" as heretofore before the Ship proceeds to sea. Men who have not been paid Monthly Advance before proceeding to sea may be allowed to receive one month's advance, although not actually due; and such men may afterwards receive monthly payments on account of their wages, as soon as the state of their accounts will admit of their being so paid, in accordance with the foregoing Regulations.

23. The existing form of Monthly Allowance Pay List is to be used for making the monthly payments on account of wages at the new rates; and care is to be taken that with all Cash Accounts for the months of March, June, September and December, the Quarterly Lists are sent in as Vouchers. The certificates of the amounts paid in the first and second months of each quarter are only admissible as temporary vouchers, and the credits in the Paymasters' cash accounts can in no case be allowed in the absence of the Quarterly Pay Lists. (*Vide* Circular 163, sec. 6.)

24. When men decline, or are not entitled to be paid Monthly Advance, from their being in debt or its being stopped for punishment, &c., the words "declined," "in debt," or "stopped," as the case may be, are to be inserted against the men's names in the Pay Lists.

25. Great care is to be taken that in the Monthly Advance Pay Lists for men who allot, the name of every man who has an Allotment in force is to be inserted, whether the men are paid monthly advances thereon or not, and the Rate of each man's Allotment is to be inserted against his name.

26. Such men and boys as do not wish to be paid Monthly Advance at any time may leave it undrawn, as at present; and the existing Regulations which allow men who have wages remaining due to them, to Remit, from time to time, an even portion thereof, to friends, relatives, and others, or for Deposit in the Savings' Banks in London and at the Outports, are to continue in force; and these privileges of Remitting are now to be extended to Ships on the Home Station as well as to those Abroad. The prescribed Forms of Remittance Lists are to be used for remittances to friends, relatives, and others, and for remittances for deposit in Savings' Banks. Seamen may also, after receiving their monthly advance, deposit it in the Second Money Chest kept on board each Ship, for safe custody, under the supervision of the Captain, in accordance with existing Regulations (Circular No. 281).

27. Seamen and marines may allot, as at present, a portion of their wages in favour of their wives, relatives, friends, or others, in accordance with the Regulations (Circular No. 163), and at the Rates shown in Scale A. of Table II. annexed; with the further privilege of allotting either at the particular rate assigned for each rate of daily pay in the Table, or at any of the lower rates, including that of 10*s.* now hereby established as a Minimum Rate of Allotment.

28. The highly objectionable practice of allowing men to incur debts and afterwards to stop their Allotments in consequence, is to be avoided.

29. Care is also to be taken that the earliest possible notice is given to the Department of the Accountant-General of the Navy, of the death, desertion, or discharge of men who have allotments in force, in order that payment thereof may be stopped. In cases of emergency, when men leaving the service are likely to be brought in debt, separate "stop-letters" are to be written and dispatched by the first opportunity; but in all ordinary cases of allotments requiring to be stopped or reduced, stop-letters are to be dispensed with in Ships on the new or Record Book system, as such allotments will be stopped or reduced by means of the monthly returns for the Record Book. In Ships on the old Muster Book system "stop-letters" must be continued as at present.

30. The rate of a man's allotment is in future not to be reduced upon his being disrated, unless the rate is in excess of that for his new rating, or his pay will not bear its continuance at the old rate, or unless he specially desires it to be reduced. The Rate of Allotment is in future to be inserted in Ships' books and Pay Documents; and the payment of monthly advance is always to be regulated with due regard to the rate of allotment.

31. The date of the Commencement of an Allotment is always to be determined on board Ship, and to be clearly noted in the Allotment Declaration Lists, Ships' books, and pay documents. In cases when allotments are increased in amount, or when the reduction of an allotment does take place, the allotment charge at the original rate is to be calculated up to such a date as will allow sufficient time to communicate the change to the Accountant-General of the Navy, and for making the necessary alterations in England.

32. Fresh Declaration Lists are required to be made out in all cases when allotments are to be increased in amount; and such Declaration Lists for the increase of allotments should be distinct from those for New Allotments.

33. The Captains and Officers of Her Majesty's Ships will use their influence with the men under their command to induce them to make full use of the various privileges they have of allotting and remitting portions of their wages in support of their wives and families, or for deposit in savings' banks. Men should not be allowed to stop their allotments for their families when once granted, without the Captain being satisfied that there are sufficiently strong grounds for so doing.

ANNUAL BALANCE AND ADJUSTMENT OF WAGES.

34. In consideration of the foregoing Regulations whereby a much greater proportion of a man's wages may be paid to him month by month, whether at Home or Abroad, than at

present, besides what he may allot or remit to his family or friends, the practice of "paying down," as it is usually termed, Her Majesty's Ships at Home every six months is to be discontinued.

35. In all Her Majesty's Ships, both at home and abroad, an Annual Pay List or Balance Sheet is to be prepared up to 31st March, which is the close of the financial year, showing the balance due to each man at that date. On this Balance Sheet, which is to be made out from the Record Book on the form of "Pay Book and Charge List" in Ships on the new or Record Book system, the name of each man borne for wages during the preceding twelve months is to be inserted, with the wages, additions to pay, and all Credits due to each man, and also all Abatements from pay, including that for allotment.

36. This Balance Sheet or Annual Pay List is to be completed as soon after the 31st March as possible, and transmitted to the Accountant-General of the Navy. As the List may be in a great measure prepared in anticipation, only one month is allowed for its final completion and dispatch into Office.

37. The Balances of wages due upon the Annual Pay List or Balance Sheet, are not to be paid unless their Lordships specially direct; but men, both at home and abroad, may remit an even portion of the sums appearing due to them thereon, in accordance with Regulation 26 hereof, leaving, however, about one month's wages in hand at the time the Remittance is made, and in Ships abroad, sufficient to cover any subsequent allotment charges, in accordance with Regulation 19.

38. The several Forms of Remittance Lists mentioned in Regulation 26 are to be used for these Remittances, and the amounts remitted are to be inserted on the Balance Sheet.

39. As soon as the Annual Balance Sheet is prepared, Charge Notes are to be made out therefrom, showing the credits and charges of each man and the balance then at his credit, and they are to be delivered to the crew, as the Captain may direct, that every man borne for wages may thus be made aware of the exact state of his account at the close of each financial year, and have this special opportunity of depositing in savings' banks, or otherwise disposing of his undrawn wages as he may deem expedient, under the advice of his officers, in accordance with Regulation 33.

40. In Ships on the new or Record Book System of Ships' Books and Accounts, the wages, and all credits and additions to pay up to 31st March, are to be cast out in the Record Book, to which also is to be transferred the total charges for Monthly Advances, for supplies and making of Clothing and for dead and run Effects purchased by each man for the same period, inserting also the amount of Allotment charge up to that date; and each man's account, when thus completed, is to be balanced on the Record Book, and the results carried into the Annual Balance Sheet, and the Charge Notes made out therefrom, as directed by Article 39.

41. The balances credit or, after inserting and deducting the amounts then remitted, are to be inserted in the column for notations as "carried down," and entered as "Credits on 1st April" in the Record Book.

42. After all the entries and totals to 31st March have been inserted in the Record Book, a line is to be drawn across the columns, to separate the transactions to 31st March from those for the succeeding financial year. The date (31st March) to which pay has thus been cast and adjusted is to be inserted in the column for "Date of Discharge," and under the line closing these transactions the date "1 April," to be inserted in the column for "Date of Entry."

43. In order to facilitate the ascertaining of the state of men's accounts before taking the Monthly Payments or Remitting out of wages, and also to forward the preparation of the Annual Balance Sheets, the Charge Books in Her Majesty's Ships on the Record Book System are to be totalled in ink at the end of each quarter, and the gross total of charges, exclusive of those for allotment, carried into the column for "Notations." These gross totals of charges will also serve for insertion in the Quarterly Victualling Lists for persons borne for wages, against whose names the Details of the Charges are not required.

44. The totals of Charges at the end of each quarter are to be cumulative charges, including those for preceding quarters up to 31st March, 1861, and thereafter between 1st April and 31st March, the period of each financial year.

45. The total charges to 31st March in each year are to be carried into the Record Book, in accordance with Art. 40, and thence transferred to the Annual Balance Sheet, as before directed; and consequently they will not require to be inserted in the Victualling List for the quarter ending 31st March, except for Officers and for Supernumeraries borne for Victuals only.

46. When the totals of the charges appearing in the Charge Book to 31st March have been inserted, a distinct line is to be drawn across the columns of the Charge Book, to separate the charges for the succeeding financial year from those previously incurred.

47. The charges for Supernumeraries for Victuals only are in like manner to be lined off from those subsequently incurred, and not included with the subsequent charges inserted in the Quarterly Victualling Lists. A revised form of Quarterly Victualling List will immediately be issued, with separate columns in which to show the Details of Charges against supernumeraries, as required by the Regulations (Circular No. 401); which Form should be demanded in the usual manner by all Ships at home bearing Supernumeraries for victuals only. The original form of Victualling List may be continued for men borne for wages, till the stock is exhausted.

48. The charges for Supernumeraries for victuals only, and for Clothing, &c., to Officers, inserted in the Victualling List for the quarter ending 31st March, are to be totalled; as these totals, taken in connection with the totals of the columns for Monthly Advance, Clothing, &c., in the Annual Pay List or Balance Sheet for persons borne for wages, will suffice to *finally* clear the Paymaster's Accounts as regards these items, to the end of the financial year, without waiting, as at present, till he is superseded or the ship is paid off.

49. When a Paymaster dies or is superseded, a List of Charges for monthly advances, clothing supplied and made up, and dead and run effects purchased, will only in future be required for the period subsequent to the date of the last Annual Pay List or Balance Sheet,—the previous charges having been already returned to the Admiralty, as provided in the third previous Article.

50. The List of Charges required by the preceding Article, to the date of a Paymaster's supercession or death, will also enable his *final* Cash and Clothing Accounts to be finally audited with despatch.

51. On Tickets and other Pay Documents only the credits and charges for any man subsequent to 31st March will in future require to be inserted, after the Annual Pay List or Balance Sheet has been sent in from a Ship, as the previous charges will be found thereon.

52. As regards Ships remaining on the old Muster Book System, the foregoing Regulations are to be observed so far as applicable; but as the form of Muster Book does not serve to show a Dr. and Cr. account for each man as the Record Book does, upon receipt of these instructions a copy of the Complete Book is to be made out to the end of the current quarter, upon *Pay Book* paper (instead of upon the form for Muster Books), which, after being carefully compared with the old Complete Book, is to be substituted for it and retained on board; and the former Complete Book is to have the columns for Checks and Abstract of Victualling filled in, and to be sent into office as the Muster Book for that quarter.

53. On the 31st March the new Complete Book, made out as before directed on Pay Book paper, so to have the men's wages cast thereon, and the balance worked out, as distinctly as the form will admit of, and the results are to be carried to the Annual Pay List or Balance Sheet, made out upon Pay List paper, in the same manner as directed for Ships on the new system, and to be dealt with as before directed.

54. When the Complete Book has thus been balanced, after the Allotment Charges to 31st March have been inserted, and the amounts remitted from the balance sheet have also been noted in the column headed "Remitted," the net balance due to each man is to be inserted as "carried down" to 1st April, and a line is to be drawn across the columns, to separate subsequent transactions from those prior to that date, carrying out as far as possible all the directions herein, for balancing the Record Books and opening fresh accounts, as from 1st April in each year.

55. In opening the new Complete Book upon the Pay Book form, every alternate line only may be used, if this additional space is judged necessary, considering the time the Ship will probably remain in commission.

56. In the Muster Books sent into Office subsequent to the 31st March, only the credits and charges from 1st April are in future to be inserted, omitting the prior transactions, the details of which have already been sent into Office on the Annual Balance Sheet. On tickets and all pay documents, in like manner, credits and charges prior to the period of the Annual Balance Sheet are to be omitted.

57. When a ship on the old system in which a new Complete Book has been opened upon Pay Book paper, as directed by Article 52, is about to be paid off, it will not be necessary to prepare another Pay Book, as the new complete book will serve for the purpose; but a Pay-off Muster Book must be prepared as at present, and must be completed before the Complete Book is sent into Office for final adjustment, and retained on board for reference while the Complete Book is at the Admiralty. A final Pay List will also be required.

58. All existing instructions are to be considered as in force, so far as they are not modified or rendered unnecessary by the preceding Regulations.

CIRCULAR, No. 439.

Admiralty, 12th July, 1860

(PENSIONS TO THE WIDOWS OF WARRANT OFFICERS.)

With reference to the Circular Order, No. 408, dated 24th January, 1860, by which Pensions of £25. a-year are granted, under certain conditions, to the Widows of Warrant Officers; my Lords are pleased to direct, under the authority of Her Majesty's Order in Council of the 30th June last, that the above Pensions shall be allowed to the Widows of Warrant Officers, provided their husbands shall have been warranted for a period of one year, (acting time included) instead of ten years as directed in the said Circular, and provided they shall have been confirmed in the rank of Warrant Officer.

All other conditions set forth in the above-mentioned Circular remain in force.

By Command of their Lordships,
C. PAGET.

(NAVAL RETIREMENT.)

At the Court at Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, in the words following, viz:—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"*First, as relates to Captains.*

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows:—

"If on 10s. 6d. Half Pay List when retired 18s. per diem.
If on 12s. 6d. " " " } 20s.
If on 14s. 6d. " " "

"Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

"Captains who may arrive at the head of the list without having served in that rank, to be placed on the list of Reserved Flag Officers, with the pay of 20s. per diem.

"In making these proposals, we would humbly submit that Captains now on the 14s. 6d. Half Pay List, should not be affected by them, unless by their own desire.

"*Second, as relates to Commanders.*

"It is humbly submitted that all Commanders on the Active List who have attained the age of sixty, or who may hereafter attain that age, be placed on a Retired List, with

the rank and title of Retired Captain, and that they receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

"The present rates of Half Pay to be abolished for the future, but no Officer now in receipt of 6*s.* and 7*s.* a day to receive less than his present amount of Half Pay; Lieutenants, however, may be allowed Half Pay at the rate of 5*s.* a-day, if, through illness contracted in the Service, they shall have been unable to serve three years at sea in that rank.

"Greenwich Out-Pensions."

"All Officers on the Active List who accept the Out-Pension of Greenwich Hospital to be placed on the Retired List of the rank which they may then hold, and to be permitted to assume a step in rank on reaching the age of sixty, but without further increase of pay.

"Should your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from such date or dates as we may think fit and expedient.

"In conclusion, we beg leave to represent to your Majesty that the Lords Commissioners of your Majesty's Treasury have sanctioned the additional expenses which will be entailed in carrying out this proposed scheme."

Her Majesty having taken the said Memorial into consideration, was pleased by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(COALING ISSUES.)

My Lords Commissioners of the Admiralty having had under their consideration the gratuitous issues of duck, shoes, and soap on board Her Majesty's Steam Vessels, observe that the regulation which confines such issues to those of the Crew whom the Captain may select as the persons to be employed in Coaling is in practice widely departed from; my Lords are therefore pleased to direct that in all Steam Vessels *hereafter to be commissioned* the existing orders on the subject are to be considered as cancelled, and the following regulations to be observed, viz.:—

There shall be supplied, gratuitously, to every working petty officer, seaman, marine, and 1st class boy, including permanent supernumeraries, one pair of shoes and 7 yards of Canvas No. 8, with materials for making one frock and a pair of trousers, the same to be obtained from the Victualling Yards, and issued by the Paymaster, but never, on any account, from the Sea Store in charge of the Boatswain with the Government mark.

If the dress, however, should at any time be lost or destroyed, by unfair usage, another is to be supplied, and the value thereof charged against the man's wages, at the rate of 10d. per yard.

At the expiration of three years from the date of issue, with the special sanction of their Lordships, canvas and materials for a new dress are to be furnished, provided it be found, on examination, that the old one has been fairly worn out.

It is, however, to be distinctly understood that a second issue at the end of three years will not be made to vessels about to be put out of commission.

On every occasion of Coaling ½lb. of soap shall be given to each of the persons in the above classes.

These gratuitous issues are to be entered in the margin of the Charge Book, and, on men being discharged to other ships, the date on which they were supplied with canvas and shoes is to be noted on their transfer lists and pay documents.

Quarterly statements of the issues are to be sent into Office in Form No. 23.

(RAILWAY PASSES.)

My Lords are pleased to direct that when the stock of Railway Passes at present in use is exhausted, a new form shall be adopted being uniform for all Services in which the occasion for granting the Pass is to be stated.

In cases where the expense of the Pass is chargeable to the Party or Person to whom it is given, as well as when Passes provided for an Escort are chargeable to a Deserter, the "Charge Paper" at present used, is no longer to be sent to the Accountant General of the Navy, but the Officer issuing the Pass is to communicate direct with the Ship or Division to which the man is sent, informing the Paymaster of the amount chargeable and putting his initials on the back of the Pass as evidence that this has been done. Tables showing the value of the Passes to different places will be prepared and forwarded to the several Officers concerned.

The new form of Railway Pass will be supplied on demand by the Storekeeper General of the Navy.

It being necessary that the Registrar-General of Seamen should be kept accurately informed of all that appertains to the Royal Naval Reserve Force, my Lords Commissioners of the Admiralty desire that the under-mentioned Clauses, Nos. 78 and 87 of the Instructions for that Force, be carefully attended to by Commanding Officers of Her Majesty's Vessels:—

1. Gunners, Boatswains, and Carpenters shall in future take rank according to the dates of their appointment to the class to which they shall at any time belong; and not according to the dates of their first warrants.

2. Advancement from one class to another shall be considered as a promotion.

(REVISED REGULATIONS FOR THE GRANT OF GOOD-CONDUCT PAY, REWARDS, AND PENSIONS, TO NON-COMMISSIONED OFFICERS, DRUMMERS, PRIVATES, AND GUNNERS OF THE ROYAL MARINES;

Under Her Majesty's Orders in Council of the 15th January, 1849, 4th April, 1856, 11th January, 1859, and 10th and 30th June, 1860.)

1. All Non-commissioned Officers, Drummers, and Privates now serving, or who shall hereafter serve, in the Royal Marines, shall be entitled to reckon their *time* for Pension *equally* for service afloat, or on shore.

2. The date of Attestation shall be the commencement of a Marine's service; which service shall reckon towards Pension from the age of 18 only, except such as enlisted between 1st January 1812 and 1st August 1847, who shall only be entitled to reckon service from the age of 20 years.

3. A sum not exceeding 250*l.* a year is to be distributed in granting annuities, as rewards for distinguished, or meritorious, service, to Serjeants who now are, or who may be hereafter, in the Service; and such annuities are to be enjoyed either while the Sergeants are serving, or after their discharge with pension, in sums not exceeding 20*l.* a year.

4. The Serjeants selected for this honorary distinction shall be entitled to wear a silver medal, having on one side Her Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Serjeant, with the date of its grant; and they will not be liable to forfeiture of the annuity, and medal except by sentence of a Court-martial, or by conviction of Felony by a Court of Civil Judicature.

5. A reward of additional pay, and distinguishing marks, for good conduct, is to be granted under the following rules, to every Corporal, Drummer, and Private Marine, enlisted on or after the 1st August 1847:—

Having served 3 years, provided his name shall not have been entered in the Divisional Defaulters' Book for at least two years immediately preceding his claim	1*d.* a day.
Having served 8 years, and having been uninterruptedly in the receipt of 1*d.* a day for two years immediately preceding his claim	2*d.* "
Having served 13 years, and having been uninterruptedly in the receipt of 2*d.* a day for two years immediately preceding his claim	3*d.* "
Having served 18 years, and having been uninterruptedly in the receipt of 3*d.* a day for two years immediately preceding his claim	4*d.* "
Having served 23 years, and having been uninterruptedly in the receipt of 4*d.* a day for two years immediately preceding his claim	5*d.* "
Having served 28 years, and having been uninterruptedly in the receipt of 5*d.* a day for two years immediately preceding his claim	6*d.* "

6. As a further reward of continuous good conduct, Marines who shall have completed 16 years' actual service, and whose names have not been entered in the Divisional Defaulters' Book for the last fourteen years preceding their claim, may receive the rates of good conduct pay *two years earlier*:—that is, after 16, 21, and 26 years' service respectively. If having received the advantage for uninterrupted good conduct granted by the above, a man shall incur any forfeiture, he must lose all benefit acquired by him for such uninterrupted good conduct and revert to the condition which requires 18, 23, and 28 years' service respectively, to obtain 4*d.*, 5*d.*, and 6*d.*

7. The service requisite to entitle men to the distinction, and rewards, granted above, may include former service in all ranks after the age of 18 years.

8. Men transferred from the army are to keep the rewards obtained by them under the regulations applicable to that service, and to be afterwards subject to these regulations.

9. Every Corporal or Private Marine, enlisted before the 1st August 1847, is entitled to an addition of 2*d.* a day to the pay of his rank, on completing 14 years' actual service, from the age of 18 or 20 years respectively, according to the regulations in force at the time of enlistment.

10. All Marines now serving, who enlisted before the 1st August 1847, may have the option of relinquishing their right to the additional pay of 2*d.* a day after 14 years' service, and thereby become entitled to all the advantages of the Good-conduct Regulations *while serving*, provided their names shall not have been entered in the Divisional Defaulters' Book immediately preceding the exchange, for the periods prescribed for each rate respectively.

But their pensions on discharge will be regulated according to the rules in force at the time of their enlistment, viz., from 10*d.* to 1*s.* 2*d.* a day, as hereafter laid down, provided such pension be not forfeited by misconduct.

11. As this reward is strictly an honourable distinction, to be conferred only upon the well-conducted Marine, the Commandants of Divisions are strictly enjoined to enter in the Divisional Defaulters' Book the name of every Marine who shall be convicted by Court-martial, or who, in consequence of misconduct, shall be subjected to a forfeiture of pay, either with or without imprisonment, or any other punishment beyond seven days' confinement to barracks; and the commission of every offence, which shall impose upon the Commandant the necessity of recording the Marine's name in the Divisional Defaulters' Book, shall render the man ineligible for this reward for two years from the date of such entry, should no imprisonment be inflicted, and in case of imprisonment from the date of release; and, if he be already in possession of this distinction, shall deprive him of his distinguishing mark and good-conduct pay for one year; and a second recorded offence within twelve months, shall render two years of

uninterrupted good conduct necessary to obtain a restoration of such reward.

12. A Marine having two or more distinguishing marks, shall, in like manner forfeit one of such marks, and the good-conduct pay allowed with it for one year, for each offence, such forfeiture to be reckoned from the date of entry in the Defaulters' Book, or release from imprisonment, unless another offence be committed within the year, in which case the restoration of the first distinguishing mark and good-conduct pay will be delayed until the completion of a year from the date of the last offence, or release from last imprisonment, and the restoration of the second distinguishing mark and good-conduct pay will be delayed until the completion of one year's uninterrupted repossession of the first distinguishing mark and good-conduct pay, and so on with each subsequent forfeiture and restoration. If he shall forfeit all his distinguishing marks and good-conduct pay, and before the restoration of any one, shall be recorded for a fresh offence, he shall forfeit all claim in consequence of his previous good conduct, and shall only be entitled to obtain a restoration of his honourable distinctions by subsequently serving, with uninterrupted good conduct, for 2 years to obtain one distinguishing mark, for 4 years to obtain two distinguishing marks, for 6 years to obtain three distinguishing marks, for 8 years to obtain four distinguishing marks, for 10 years to obtain five distinguishing marks, and for 12 years to obtain six distinguishing marks.

13. Any Marine who, by having been recorded in the Divisional Defaulters' Book, shall have been adjudged to have been guilty of an offence, by which he is to forfeit the whole or a part of his reward for previous good conduct, shall, if he denies the commission of such offence, have the right of appeal to a Court-martial.

14. A Marine may, for a first offence of a serious nature, be adjudged by the sentence of a Court-martial, to forfeit all or any part of the advantages he had derived from his previous good conduct, either absolutely, or for any period not less than 18 months, according to the circumstances which shall have appeared in evidence.

15. A Serjeant or other Non-commissioned Officer above the rank of Corporal, reduced to the ranks, who has not been sentenced by Court-martial to forfeit all or any part of the advantages of good-conduct pay which might have accrued from his former service, or forfeited such advantages by conviction by Court-martial of desertion, &c., or conviction of felony, by a Court of Criminal Judicature, in accordance with the provision of the Articles of War, may be allowed to reckon his service as Non-commissioned Officer as good-conduct service, and in addition to his pay as Private, shall be allowed the rate of good-conduct pay, which, with such service, he could have claimed in ranks below that of Serjeant, in consequence of absence from the Defaulters' Book; but if such Serjeant or other Non-commissioned Officer above the rank of Corporal be reduced by sentence of a Court-martial, he shall be subjected by such reduction to the forfeiture of one penny a day of such calculated good-conduct pay for one year for the offence for which he was reduced.

16. When by the Queen's pardon, or order of the Lords Commissioners of the Admiralty, a Marine's service, which had been forfeited by desertion, or any other cause, shall have been restored, the rate of good-conduct pay the man was in possession of at the time of forfeiture shall also be restored, provided such restored pay, added to any other good-conduct pay he may have acquired while under forfeiture, does not exceed the rate to which his total service, coupled with the prescribed continuous absence from the Defaulters' Book, would give him a claim, and in such cases the condition which, under the ordinary operation of these regulations, requires the uninterrupted possession for two years of one or more good-conduct badges, and pay attached thereto, before another can be obtained, will not be enforced, but will be adhered to during the Marine's subsequent service.

17. Whenever a Marine, wearing one or more distinguishing marks, shall, while serving afloat, commit any offence for which the Captain or Commanding Officer of the ship in which such Marine is serving shall consider that he should be punished by the forfeiture of one or more distinguishing marks, and the good-conduct pay attached thereto, such offence shall be inquired into under a warrant, executed in the same manner as when corporal punishment is awarded; and the Captain or Commanding Officer shall cause the said Marine to be deprived of one or more of the distinguishing marks and the additional pay, according as the gravity of the offence shall, in his judgment, merit; which circumstance is to be duly entered in the log, and reported in the periodical returns, under the regulations at present established for the disrating of Petty Officers; and the marks and pay so forfeited shall not be reconferred until the expiration of at least one year from the date of forfeiture, and then only under circumstances of extreme good conduct. No man, so long as he is entitled to wear the distinguishing marks, shall be considered liable to corporal punishment, except in cases of mutinous conduct.

18. The warrant depriving a Marine of his distinguishing mark is to be forwarded to the Board of Admiralty, for subsequent transmission, through the Deputy Adjutant-General, to the Commandant of the Division to which the man belongs, for his information and guidance.

19. If a Marine shall have been discharged to Head Quarters previous to the completion of one year from the date of his having forfeited the distinguishing marks, he shall, as soon as he has completed that period, reckoning from the date of forfeiture, be eligible, at the discretion of the Colonel Commandant, to have those rewards restored, provided his character shall have been very good during the interval.

20. The Commandant of a Division of Royal Marines may annually recommend a certain number of men of meritorious conduct for the "Good-conduct and long service" medal and gratuity, as follows, viz.:—

Serjeant, who shall have served 10 years as such .	£15
Corporal, who shall have served 7 years as such .	10
Private	5

21. The men to be recommended must have completed 21 years of actual service, have borne an irreproachable character, and have never been convicted by a Court-martial; or, if not coming strictly within those latter conditions, must have particularly distinguished themselves by gallantry and zeal in the service.

22. The amount to be recommended in one year, by each Commandant, must not exceed the following sums, viz.:—

£40 when the number of rank and file on the shore strength of the Division is 900 and upwards,
£30 when the number is 700, and under 900,
£20 when the number is less than 700.

23. The medal to be presented according to the existing regulations on that head.

24. All Marines who shall have fulfilled the conditions of the regulations relating to the award of the medals and gratuities for "long service and good conduct," but who are precluded from becoming recipients of medals with gratuities in consequence of the aggregate amount to be annually awarded being already appropriated, shall be granted the said medals *without* gratuities, to the extent of three for each Division in each year.

25. Non-commissioned Officers, Drummers, Privates, and Gunners, who may have been qualified before discharge, shall be eligible to receive medals *without* gratuities if recommended by their former Commanding Officers, within three years after their discharge.

26. Non-commissioned Officers on the permanent staff of the Militia, or filling corresponding situations in the Naval Service, who were eligible previously to their discharge from the Corps for medals with gratuities, shall also be eligible to receive medals *without* gratuities, and no limit shall be placed on the grant as regards the date of discharge in the case of such men so serving.

PENSIONS

To Non-commissioned Officers and Privates of the Royal Marines, now serving, who enlisted previously *to the 1st August* 1847.

1. Every Non-commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service on account of severe wounds or hurts, whether received in action, or in the execution of his duty, shall be allowed a pension according to the following Scale, provided he be deemed a fit and deserving object for relief, either for life, or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, to the length of service, and to the character and rank of the Marine, viz.:—

A Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from .	1s. 6d. to 2s. a day.

But for less injury than the foregoing, and not requiring the care of another person, from	1*s.* to 1*s.* 6*d.* a day.
And if able to contribute in a small degree to his livelihood, from . .	9*d.* to 1*s.* a day.
If able to contribute materially to his livelihood, though unfit for the Service, from	6*d.* to 9*d.* a day.

In fixing pensions under this Article (1), the lowest or highest, or any intermediate rate, is to be taken according to the length of service and the character of the claimant, and the circumstances under which he was wounded or hurt.

2. Every Marine who shall be discharged on any account (except for misconduct) after 21 years' actual service in the Royal Marines, or any greater length of service, shall receive a pension varying from 10*d.* to 1*s.* 2*d.* a day; having consideration to whether the man be discharged at his own request or otherwise, to the nature of his services, to his actual state of health, and apparent strength, to his conduct and character, *and to the number of years he may have served beyond* 21 *years.*

3. Every Marine who, after having served 14 years, shall be discharged for disability contracted in and by the Service, and not from want of proper care on his part, shall, provided he be deemed a fit and deserving object for relief, be allowed an annual pension either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of the length and nature of his service, his character, and his bodily infirmity, varying from 6*d.* to 9*d.* a day; but if the injury be not considered permanent, a conditional pension only shall be granted.

4. A Marine discharged under 14 years' service is not to be deemed entitled to a pension; but if discharged in consequence of disability contracted in and by the service, and not from want of proper care on his part, may be allowed a pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of from 3*d.* to 6*d.* a day, according to the bodily injury sustained by, and the length of service, and the character of the man.

In such cases where Marines have received wounds or injuries in Her Majesty's Service, which shall not be found on examination of so serious a character as to entile them to a pension, a gratuity may be made to them at the discretion of their Lordships of a sum varying from 1*l.* to 18*l.*, in full compensation for such wound or injury.

5. If a Marine shall become totally blind from unavoidable causes, clearly attributable to the Service, he shall be allowed a permanent pension of 3*d.* a day, in addition to the amount to which he may be otherwise entitled.

6. Service *under* 18 years of age,—to Marines who enlisted into that Corps *previously* to the 1st January, 1832, or *under* 20 years of age to those who entered into the Royal Marines between the 31st December, 1831, and the 1st August, 1847, is not to be allowed to reckon either for discharge or for pension.

7. All Corporals now serving, who enlisted subsequently to March the 1st, 1833, who shall hereafter be discharged after completing 21 years' service, shall be entitled to have their pensions computed at the following rate:—8*d.* a day, being at the same rate as Privates enlisted for limited service receive, with the addition of one halfpenny a day for each year of service as Corporal, and allowed to add the "Good-conduct Pay," of which they shall be in possession when discharged, to augment the rate of pension to a sum not exceeding 1*s.* 6*d.* a day. All Serjeants, Quartermaster Serjeants, and Serjeant Major, who enlisted subsequently to 1st March, 1833, and who shall hereafter be discharged after 21 years' service, shall be entitled to have their pensions computed at the following rate, viz., 8*d.* a day, with the addition of

For a Serjeant . . .	1*d.*	a day for each year
Quartermaster Serjeant .	2*d.*	of service
Serjeant Major . .	3*d.*	in such rank.

They also shall be entitled to have their service as Serjeants reckoned as Good-conduct Service, to enable them to add to the rate of Good-conduct Pay which they had acquired prior to promotion, and to carry the whole to increase their pension; provided always that the amount of pension thus to be awarded shall in no case exceed the maximum for

A Serjeant Major	2*s.* 6*d.* a day.
Quartermaster Serjeant . .	2*s.* 3*d.* ,,
Serjeant	2*s.* 0*d.* ,,

Marines losing two Limbs, or both Eyes, from Wounds, or being so severely wounded as to be totally incapable of earning a livelihood, and to require the assistance and care of some other person. Marines able to contribute towards earning a livelihood, although rendered by Wounds unfit for the ordinary duties of a Marine.

In cases of extreme suffering from wounds received in action, by Non-commissioned Officers or Privates of long service, or of gallant conduct before the enemy, a sum not exceeding 6*d.* a day may be granted as Her Majesty's Royal Bounty, in addition to the pension which may have been awarded by the Lords Commissioners of the Admiralty.

2. Marines who shall become totally blind from unavoidable causes, other than wounds, but clearly attributable to the Service alone, shall be entitled to permanent pensions according to the following Scale:—

may be added.

No Marine shall be discharged for the loss of an eye only, whether it be the right or the left; but if a Marine shall have lost one eye by a wound in action, or by the effects of service, and shall receive other wounds or injuries in action,

or be otherwise so disabled as to render his discharge necessary, the loss of an eye shall be taken into consideration in fixing the pension at such a rate as his combined wounds or disabilities may entitle him to receive.

3. Men enlisted on or after the 1st August 1847, under the Limited Service Act, will be discharged at the end of 12 years' service, if at Head Quarters; and those who re-enlist for a second period of 9 years, will at the end of 21 years be entitled to their discharge, with pensions, agreeably to the following Scale; and men who may be retained in the Service, under the provision of the Act, after the expiration of 21 years, will be entitled to the benefit of pension up to the date of their discharge, according to the Scale laid down herein:—

The increase from the minimum shall be in each case ½d., day, for every year of actual service completed beyond 21 years; but in no case shall the maximum (1s.) be exceeded except by the addition of the reward for good conduct.

Serjeants Major, Quartermaster Serjeants, Colour Serjeants, Serjeants, and Corporals, shall have their pensions computed at the same rate as Privates, viz. 8d. a day, with the following addition for every year of service as Non-commissioned Officers:—

		s.	d.
Serjeant Major	3d.	Total	2 6
Quartermaster Serjeants	2d.	Pension	2 3
Colour Serjeants and Serjeants	1d.	not to	2 0
Corporals	½d.	exceed	1 6

Provided always that the Non-commissioned Officer shall have served 21 years, and shall have been discharged as a Non-commissioned Officer, having served without interruption as such for the *one year* immediately preceding his discharge.

And no Non-commissioned Officer shall receive the aforesaid superior rates if discharged whilst holding an inferior rank.

4. To men discharged after 21 years' service, for disabilities contracted in, and by the Service, which not only unfit them for the ordinary duties of Marines, but which render them incapable of earning a livelihood, a temporary increase of pension may be granted to each rank, to the following extent:—

Private	3d. a day.
Corporal	4d. "
Serjeant	6d. "

The aggregate pension, however, is in no case to exceed the maximum granted in Article 3; and such increase is only to be granted for one year, and to be renewed thereafter by the Lords Commissioners of the Admiralty for such period as they may, under the circumstances of the case, conceive proper, on evidence of the pensioner's continued incapacity to earn a livelioood.

5. Marines discharged on account of permanent disabilities, contracted in and by the Service, after 14, but under 21 years, shall be entitled to receive pensions according to the following rates, viz.:—

Serjeant	9d. to 1s. 3d. a day.
Corporal	7d. to 1s. "
Private	7d. to 9d. "

such pensions being granted either permanently or conditionally, according as the Lords Commissioners of the Admiralty shall, in their discretion, consider the nature of the disability to warrant. Provided, however, that in the case of a Serjeant or Corporal, discharged as such, his service shall have been at least of one year's duration in the rank of a Non-commissioned Officer.

The precise amount of pension shall be regulated by the time the Marine may have served,—the nature of his service,—the degree of the disability as affecting his means of earning a livelihood,—and his good conduct while serving.

6. Marines discharged previously to the completion of 21 years' service, on account of their being unfit for the ordinary duties of Marines, in consequence of disability contracted in and by the Service, may be allowed temporary pensions according to the following Scale:—

Under 7 years' service	6d a day, from 1 to 18 months.
Above 7, but under 10 years' service	6d, a day, from 1 to 2 years.
Above 10, but under 14 years' service	6d. a day, from 2 to 3 years.
Above 14, but under 21 years' service	6d, a day, from 3 to 5 years.

In severe cases of disability, or injury, resulting entirely from the Service, under 21 years' service, the temporary pension may be received for such further period as the special circumstances of the case may warrant.

The temporary pensions which may have been awarded to men discharged as unfit for the ordinary duties of Marines, on account of disabilities contracted in and by the Service, previously to the completion of 14 years' service, may, under extraordinary circumstances of extreme suffering, or of permanent incapacity to earn a sufficient livelihood, be made permanent.

A Non-commissioned Officer, who shall have served continuously as such at least one year in the rank he held when discharged, may be allowed an addition not exceeding the following rates, viz.:—

Corporal	2d.
Serjeant	4d.

to the temporary pension which would have been granted to him if he had been discharged as a Private.

In special cases, where it may be considered more advantageous to the Marine's interest that a gratuity in money, proportioned to the length of his services, and the duration of the temporary pension awarded, should be given instead of the temporary pension, a sum varying from 1*l.* to 30*l.* may be allowed; but, in every instance, the gratuity shall be paid to the Marine, only after his arrival at the place of his intended future residence.

7. Temporary pensions, or the gratuities in lieu thereof, according to the Scales in Article 6, may also be granted to men discharged without disability, for the convenience of the Public Service, in consequence of the reduction, or disbandment of the Corps, after a service of 14, but under 21 years' service; and such men shall be eligible to re-enter the Service, according to the rules laid down for Discharged Men re-enlisting.

8. Marines may be allowed to purchase their discharge, or to obtain free discharge, or discharge to pension at their own request, upon the terms specified in the Scale given in Article 9, if they have served the requisite period; but the number of men to be discharged, and the selection of the individuals shall be governed by such instructions as the Lords Commissioners of the Admiralty may from time to time give, for extending, or limiting, the number, or for wholly suspending the permission.

9. Marines may be allowed to purchase, or obtain their discharge upon the following conditions:—

Under 7 years' actual service, without a distinguishing mark	£20
Ditto, with one distinguishing mark	18
After 7 years' actual service, without a distinguishing mark	18
Ditto, with one distinguishing mark	15
After 10 years' actual service, without a distinguishing mark	15
Ditto, with one distinguishing mark	10
Ditto, with two distinguishing marks	5
After 12 years actual service, without a distinguishing mark	10
Ditto, with one distinguishing mark	5
Ditto, with two distinguishing marks	Free.
After 14 years' actual service, without a distinguishing mark	5
After 14 years' actual service, with one distinguishing mark	Free.
Ditto, with two distinguishing marks	Free. With a right of registry for deferred pension of 4*d.* a day, upon attaining 50 years of age.
After 16 years' actual service, with one distinguishing mark	

After 15 years' actual service, with three distinguishing marks	Free,
After 16 years' actual service, with two distinguishing marks, having possessed the second at least 12 months	With a right of registry for deferred pension of 6d. a day, upon attaining 50 years of age.
After 15 years' actual service, without a distinguishing mark	Free.

In all cases of free discharge, a period of not less than 30 days, for the purpose of giving a Marine a sufficient time for deliberation, shall elapse between the man's application and the Commanding Officer's consent to recommend the discharge; and the prospect of permanent pension which the man will forfeit by accepting a free discharge at his own request, shall be clearly explained to him.

10. Marines who shall have been in the uninterrupted possession of good-conduct pay for at least six months immediately preceding their discharge for disability, or by reduction, and who shall not have acquired claims to pensions, or shall be entitled only to temporary, or conditional pensions, shall have their names registered at the Admiralty, and upon their attaining 50 years of age shall receive, as a reward for their good conduct, a pension—

If discharged with one distinguishing mark,	4d. a day.
If discharged, after having been 12 months in possession of two distinguishing marks.	5d. a day.
If discharged, in possession of three distinguishing marks.	6d. a day.

11. No Non-commissioned Officer shall, on his discharge, have any claim to the allowance or pensions awarded to a Corporal or Serjeant, except for continuous service immediately preceding his discharge, in the rank he held when discharged; but if a Serjeant shall be discharged without having served continuously as Serjeant the full period of one year prescribed by these Regulations to entitle him to the pension of that rank, he may be allowed to reckon as Corporal's service the whole of his continuous service as a Non-Commissioned Officer, to entitle him to the rate of pension allowed to the rank of Corporal; and antecedent service as a Non-commissioned Officer, in a rank from which he may have been reduced, may be specially admitted to reckon as part of his continuous service, provided it be established to the satisfaction of the Lords Commissioners of the Admiralty that such reduction in rank was on account of the Public Service, and did not result from any irregularity or misconduct on the part of the man himself.

12. The period during which any Marine may have been employed as an Acting Lance Serjeant shall not be allowed to reckon as Serjeant's service, or the period as Lance Corporal as Corporal's service.

3. After five years' service subsequent to his receiving his first Badge, he will be eligible to receive a second Badge, and an additional penny per day, provided he has not forfeited the First Good Conduct Badge during the last two years.

4. After five years' further service he will be eligible to receive a third Badge, and an additional penny per day, provided he has not forfeited his previous Good Conduct Badges during the last two years.

5. Although the period of five or ten years must elapse before a second or third Good Conduct Badge can be conferred on men who have obtained their first Badge after three years' service, under the preceding Articles 2, 3, and 4, my Lords are pleased to allow second or third Badges to be conferred on all men who have obtained their first

Badges' under previous regulations, as soon as they shall have completed a period of eight or thirteen years' service, with such characters as would otherwise entitle them to Badges under the present Circular.

6. Any person holding one of the above ratings, who shall have a combined servitude in the Merchant Service and Royal Navy of four years, exclusive of boy's time, shall be eligible for the first Good Conduct Badge, provided he shall have completed a period of one year's service in the Royal Navy, immediately preceding the bestowal of the Badge, and shall have merited the character of "very good," and can produce satisfactory certificates of very good conduct during his last two years' service in the Merchant Service.

8. The circumstance of a man having worn the Good Conduct Badge will be considered in determining the amount of his Pension.

9. Good Conduct Badges may be conferred upon Pensioners, but they will not be entitled to Badge Pay.

10. If any person, entitled to wear the Good Conduct Badge, shall commit any offence, for which the Captain or Commanding Officer shall consider that he should be punished by the forfeiture of one, or more, of his Badges, and the Pay attached thereto; such forfeiture shall take place under a warrant executed by the Captain, setting forth the nature of the offence, as has been hitherto the practice; and the Captain or Commanding Officer shall cause the said person to be deprived of one, or more, of his Badges, and of the Pay attached thereto, according as the gravity of the offence, in his judgment, shall merit; which circumstance is to be duly entered in the Record Book, Muster Book, and Log Book, and reported in the Periodical Returns, under the regulations at present established, for the disrating of Petty Officers; and the Badges and Pay so forfeited shall not be re-conferred until the expiration of at least one year from the date of forfeiture, and then only under circumstances of extremely good conduct. No man shall be considered liable to corporal punishment so long as he is entitled to wear a Badge, excepting in cases of mutiny.

11. As the benefit intended to be conferred upon Petty Officers and Seamen of the Fleet, by the foregoing regulations, will in a great measure depend upon the strictest impartiality being exercised in carrying them into effect, my Lords rely upon the Captains and Commanding Officers of Her Majesty's Ships to give full force to their intentions in this respect, and to use the utmost care and circumspection in ascertaining the time served, as well as the characters of the men selected for the Good Conduct Badge and Pay.

12. The weekly accounts, and quarterly returns, are to contain a statement of the number of Petty Officers and Seamen who have been granted the several descriptions of Badges and Pay.

13. In ships on the new system of books and accounts established by their Lordships' Circular, No. 331, a return of Badges conferred or forfeited each month, and the tabular statement of Badges worn and paid for, are to be inserted in the proper forms on the monthly returns for the Record Book.

(STRAGGLING MONEY ABOLISHED—REGULATIONS RESPECTING REWARDS FOR APPREHENSION OF DESERTERS.)

My Lords Commissioners of the Admiralty, having had

under their consideration the rewards paid for the apprehension of Stragglers and Deserters from Her Majesty's Ships, have thought fit to direct:—

1st. That no reward whatever is to be paid in future to any person for the apprehension of Stragglers; but the amount of expenses necessarily incurred for travelling, and for conveyance to their proper Ships, is to be paid. After the 1st of April next the charges against the pay of men absent without leave are to be made on the Ship's Books, in accordance with the regulations prescribed by the Naval Discipline Act.

2nd. In cases of Desertion, a reward not exceeding 3*l.* may be paid to the person by whom the Deserter may be brought on board the Ship to which he belongs, or delivered up to any Naval Officer authorised to receive him at the port from which he may have deserted, or to which he may have been ordered to be sent by the Lords Commissioners of the Admiralty; but no such reward can be allowed for any man whose name has not appeared, with the amount of reward offered, either in the "Hue and Cry," or in a list circulated by the Commander-in-Chief or Senior Officer at the Port. The sum of 3*l.* will be paid only for the apprehension of men who have been arrested within three months from the date of their having been advertised as Deserters, and 2*l.* after the expiration of that time.

It being the special duty of the Naval Police at the ports to apprehend Stragglers and Deserters, no reward is to be expected by them in any case.

No reward is to be paid to the Police of Her Majesty's Ships or other persons in the Fleet, but whenever they may be sent on shore expressly for the purpose of collecting Stragglers or Deserters they may be paid the usual amount of Extra Pay (See Art. 1, page 104, Queen's Regulations) for such duty, provided they have been absent from their Ship for more than six hours, and provided the Commanding Officer is satisfied with the manner in which the duties have been performed; and they are to be further allowed the amount of any expenses actually incurred in apprehending and conveying them on board. These Regulations are to be observed at all ports where any of Her Majesty's Ships may be employed.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction :—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the

Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

Admiralty, 1st June, 1847:

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1850.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by his certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1850.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

D.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

B.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

A.

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the

Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

F. While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. (Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the above scale, according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired . . . . . 18*s.* per diem.
If on 12*s.* 6*d.* . . . . . 20*s.* ,, ,,
If on 14*s.* 6*d.* . . . . . 20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14*s.* 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension.

I. 4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

FURTHER RETIREMENT OF COMMANDERS AND LIEUTENANTS AS EXTENDED BY ORDER IN COUNCIL OF 30TH JAN., 1856.

G. This Order in Council provides—

1st. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to

To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in
